

## Messages from Our Blessed Mother

Received via I.A.N at  
the Holy Family House of Prayer,  
Rockingham, Australia  
20th December, 2003 to 21st June 2005

## Declaration of Authority

*On October 14<sup>th</sup> 1966, His Holiness Pope Paul VI confirmed the decree of the Sacred Congregation for the Propagation of the Faith, under 56/16 (A.A.S.), permitting the publication of writings concerning supernatural apparitions, even if they do not have a 'Nihil Obstat' from ecclesiastical authorities.*

Since the abolition of Canon 1399 and 2318 of the former Canonical Code, publications about new appearances, revelations, prophecies, miracles, etc., have been allowed to be distributed and read by the faithful without the express permission of the Church, providing they contain nothing which contravenes faith and morals. This means that no imprimatur is necessary when distributing information on new apparitions not yet judged by the Church. **The compiler of these messages wishes to manifest unconditional submission to the final and official judgement of the Magisterium of the Church regarding any of the content contained within these messages.**

**Notwithstanding the previous statement, all messages contained within have, however, received discernment from the Spiritual Director of the shrine and the visionary.**

In *Lumen Gentium*, Vatican II, Chapter 12, the Council Fathers urged the faithful to be open and attentive to the ways in which the Holy Spirit continues to guide the Church, including private revelations. We hear: "Such gifts of grace, whether they are of special enlightenment or whether they are spread more simply and generally, must be accepted with gratefulness and consolation, as they are specially suited to and useful for, the needs of the Church...Judgements as to their genuineness and their correct use lies with those who lead the Church and those whose special task is not to extinguish the Spirit but to examine everything and keep that which is good."

Public revelation ended with the death of the last apostle. Private revelation, however, has continued from that day until the present. Let us give heed to that which was written in *The First Epistle of Saint Paul to the Thessalonians*; Chapter 5, Verses 19 & 20:  
**Extinguish not the spirit. Despise not prophecies.**

This booklet can be copied but no part is to be altered or sectionalized

my care. His earthly heart was borne from my heart and my heart was conceived by His divine heart.

**21<sup>st</sup> June 2005**

Do not fear the truth for the truth is the light of My adored Son Jesus the Christ and you have no need to fear Him for He will never harm you. Know that He is always with me as I am with Him and therefore where I am so shall He be. As the light of the day increases be grateful for the many who respond to the truth and increase the light of His truth and give that light to so many more. Draw close to the light of The Most Sacred Heart and remain under the protection of the mantle of my Immaculate Conception. The darkness will be vanquished forever by the light of The Truth of The Christ.

**20<sup>th</sup> December, 2003**

I thank you for your love given, in prayer, in my beloved shrine and for answering my request.

You have consecrated yourself to my beloved Son's Sacred heart and to my Immaculate Conception and to our Holy Family. I accept this totally as do the host and as such you and I and we are one in heart, in soul, and in will.

Together we are one in Jesus, The Christ, my most adored Son. It always gives me delight to share with my children the graces and virtues given to me.

The Eternal Father shares with the Son and both share with the Spirit, equally and eternally. The trinity share with us in, with and for Jesus, The Christ.

Let us share His graces and His will.

Give all glory to God, all praise to God and all thankfulness to God. As he has given Himself to us let us in return give ourselves to him. Let us acknowledge that all we are is from him and return the love He gives, freely, so we can always be at peace and as such be filled with love for all. Your prayers are now mine and heard by our Loving Eternal Creator and Father.

**25<sup>th</sup> Dec 2003**

Peace will only be found in tolerance and understanding.

Our Eternal father does not require riches from us or strength or great intelligence as all he asks is a simplicity in faith and practice. Pray the rosary but remember it is not a Prayer to me or for me, rather through me to the waiting ears of my dear Son, your brother, Jesus.

My adored son, Jesus, The Christ, does not come down from Heaven every day just to lie in a ciborium. He comes to find another heaven, the heaven of our souls, created in His Image, the living ciboria of the Trinity.

**26<sup>th</sup> Dec 2003**

Charity is the special, holy bond which links the soul with its Creator. Charity binds God with man and man with God.

Everything comes from love and through charity and it is all ordained for the salvation of man, God does nothing without this purpose in mind.

**27<sup>th</sup> Dec 2003**

Please try to be obedient to the offers and promises you have given to the Eternal father. With obedience comes suffering and trials. I was obedient to the Father, as the mother of my most beloved Son Jesus, The Christ. I suffered for my obedience at the foot of his cross. When most abandoned him from fear I stood faithful to my promise to be His mother.

I did not feel the pain of His birth but I felt the pain of his death and rebirth as the instrument of our salvation.

I was obedient to him and he fulfilled his promise and so I live in his presence and eternal truth.

Our Divine Father knows you may fail but asks if you will try to be obedient to your offers.

He does not ask or demand of you as he did not with me. He will try to guide but we offer to him freely and when we feel the suffering of our promise and feel burdened then we achieve much by carrying that cross of suffering and adding it to the cross of my adored Son and your perfect Brother for the salvation of all who may need our help.

**28<sup>th</sup> Dec 2003**

Faith leads to strength and strength comes from faith.

If My Adored Son Jesus, The Christ resides in your soul because of faith or if He resides in your soul because of your deductive reason, then He resides there always and as a result so, also, do I.

Why then do you say that you feel alone when we are always with you?

I will never leave you, I was never abandoned by my Holy Son nor He by me and neither will you be left alone. Because you do not

your spiritual offering to Him as early in the day as you can so that He truly is the focus of your prayer.

**8<sup>th</sup> June 2005**

I thank you for your presence here again tonight.

I ask you to be humble, obedient, prayerful children of God.

Let go of pride and your wilfulness and obey all of Almighty God's Commandments.

Consecrate yourselves to the Eternal father and come to know Him and His will in this time of preparation. Know that through my Immaculate Heart and the Most Sacred Heart of my Adored Son Jesus, The Christ united as one, you will see the triumph of the Truth as shown by my Son. Pray for strength and read scripture often. Always be prepared and know that I am with you always at in all times. The scripture you read are the living bible, the Acts, read Chapter 4 verses 28:31 and understand the Will of Almighty God. The triumph of our hearts is assured. Be quiet so you may hear and understand God's Holy Will read also Ephesians Chapter 1 verse 11.

**9<sup>th</sup> June 2005**

It is time to live more simply so you have more time to be with God. Let go of the things of this world, for they will not help you in times to come. What will be needed is a pure heart and complete trust in God. I say to all my children, do not cling to your material wealth. Detach from your worldliness, for it will draw you away from The Eternal Father. Learn to do without so you may become more dependent on God. Through sacrifice on your part, you will learn how to truly trust in God for all your needs.

Again I ask you to come into the love and warmth and protection offered by my Immaculate heart and the most Sacred Heart of My Adored Son. Knowledge is gained in that shelter. Love flows through and from Our United hearts and only now do you begin to see that which you have been shown for so long. My heart and My Adored Son's heart are as one in our love and desire for all of God's children. His compassion is my compassion and His care is

can to save souls. I humbly ask you to please promote the Rosary and reflect on the life of my Adored Son. Invoke the protection of Saint Michael Prayer every day and especially during Holy Mass. I ask you to pray and give honour and praise and thanksgiving to Almighty God.

The souls of so many are crippled with the sickness of sin and you know that my Adored Son Jesus, the Christ is the cure for all of your ailments, so please spend time with Him. Become enlightened and adore my Son in His true presence in the Holy Eucharist. Come to know Him by spending time adoring my Son. Accept His love and mercy by truly devoting more time to be with Him. He waits for each of my children, His brothers and sisters, to come, so visit Him often. Much strength will be given to those who know that Jesus is truly present in the Eucharist. Through prayer and true devotion to my adored Son, you will come to know Him in such a special way. The Eucharist is God's great gift to you, so be grateful and receive my Son as often as you can. Prepare your prayer time carefully, to fulfil the prayer requests of your Saviour. Surrender all activities that break the promise you have made to Him to communicate with Him frequently and consistently day by day. My Adored Son counts on your prayers being lifted to His altar each day so He may be able to release His graces to help and protect His loved family.

**5<sup>th</sup> June 2005**

Protect God's Truth and allow your voice to be lifted in prayer and praise to the glory of Almighty God. Do not believe that prayers are insignificant and do not count in heaven for truly one prayer offered to Almighty God, from the heart, in purity and love, means more and accomplishes more and bears more fruit in heaven for all eternity than all the deceptions of the worldliness and materialism so many children place so much importance on. Let your hearts be ignited by the fire of Love which comes from my Adored Son and do not allow the light to dim from lack of trust.

**6<sup>th</sup> June 2005**

In the quiet time you must prepare your prayerful actions. Begin your profession of love to My Adored Son's Sacred Heart before other activities or distractions of the day cause distraction. Make

sense His presence or mine, we are with you. Because you do not see us do not think we do not see you. We walk with you and try to guide you in everything, your Brother and your Mother. When you feel most lost He gives more to you than at any time. Receive His love and compassion and let Him light the way from the darkness in which He found you and you found Him.

**29<sup>th</sup> Dec 2003**

Do not expect for you may not receive that which you ask for. Always you will receive what you truly need and in full measure but what you desire or want is not always what you need. Be content with what you have.

The greatest danger of the present times is indifference so always be aware and give praise to our Eternal Father. Our praise should know no limits so always give praise to God to your fullest capacity.

Know that no one can change the Truth of Jesus, The Christ. Seek the Truth and when you have embraced it then serve Him fully. There is a great conflict He can protect you from. It is not the conflict of nations that should concern you as much as the greater inner conflict between two irreconcilable enemies deep within your souls, good and evil, sin and love.

The truth of My beloved Son will help you fight and win the battles of the soul. Persevere and pray for His might and shield.

**30<sup>th</sup> Dec 2003**

Thank you for inviting me. I have to warn you that the world as you know it is to pass away. This will not be in the manner which you may have thought because it is that we are in the new era of Harmony and Love. You must remain firm in your faith in the Truth. You know those which are the basic truths and those which are wrong and in this time you are asked to stand firm for all that is right. Our Eternal Father has given the ability to adapt but do not confuse adapting and compromise.

Do not adopt that which you know to be wrong because it is a

popular view. Be an instrument of change and a symbol of what was, is and will always be right. Do not seek to be popular by compromise. Always have tolerance, and show love, but keep God's truths.

**31<sup>st</sup> Dec 2003**

Thank you all for inviting me to be with you at this time of great reflection. Open your heart to Our Eternal Father and give Him everything that is in it, all the joys, sorrows and illnesses. Make this a time of grace for you and all who you know. Do not forget that I am with you and I only desire to take you to my Dearest Son so He can give you the gift of sincere love for God and for everything which comes from Him.

Look deeply into your heart and try to be closer to God through prayer. Pray, just pray, pray for peace for sincere prayer works miracles in the human heart and in the world. I am with you and I thank Our Eternal Father for each of you who have accepted the Truth of my Adored Son Jesus, The Christ.

**1<sup>st</sup> January 2004**

Thank you again for inviting me to be with all of you. I ask you to give thanks to God from your heart for all of the graces He gives to you and all of the signs he has shown. You are in a great time of grace and also a time of great trials for all those who desire to follow the way of the Truth and righteousness as shown by my Adored Son Jesus, The Christ.

Our Eternal Father, God, wants to draw you closer to His endless love and so again I ask you to give Him all glory and thanksgiving. He desires to save you by allowing my presence here. I ask you to help me to save others, especially the silent innocents. Please Pray but do not just pray, also use action to protect all and serve the Truth.

**30<sup>th</sup> May 2005**

Please be joyous children of God and discard the selfishness that is preventing you from truly loving one another. Abandon your pride and release your angers and frustrations and obey all of God's Commandments. Live a pleasing life rich in love and shared happiness and care. I ask you simply to become obedient, prayerful children of God, dedicated in prayer to God the Father, to the Sacred Heart of Jesus and to the Holy Spirit. Allow me to guide you into a closer relationship with the Trinity, The creator of My Immaculate nature.

**1<sup>st</sup> June 2005**

Allow the love of My adored Son to bloom within you as you consecrate yourself to our united hearts. We desire to take you to the Eternal Father in heaven. Love, mercy and trust flows through our Immaculate and Sacred Hearts. I tell you that if you would listen to our Fathers words and follow His simple commandments then you would easily be able to cleanse your soul and lead a righteous life. Let go of selfish pride and unwarranted fears and approach Him through love and with a gentle act of solemn contrition.

Talk with Him as He awaits you upon His sanctuary in His Tabernacle.

**2<sup>nd</sup> June 2005**

I say to my children, unite yourself to The Eternal Father, God. Pray, pray, pray and receive the Sacraments and cleanse your soul through confession and repentance. You will receive the grace needed to live a holy life by being obedient to the commandments of God. It is time now to come out of darkness and be an example to this world. It is time now to light the way so that love can be spread throughout the world. It is time to live the real meaning of these messages so the meaning can be shown to all. Through prayer, your love for Jesus will grow and you will truly learn how to forgive and love those around you. All will come to know the true meaning of love if their focus remains on God.

**4<sup>th</sup> June 2005**

All must live and follow the light and the truth. All must come to know God in this time of preparation. Be aware of the signs you are shown and do all that you

true peace for the soul and the world. Prayer and actions are needed in order for conversions to become manifest.

**24<sup>th</sup> May 2005**

Prayer, repentance and conversion, is what The Eternal Father desires from His children. Return to the Sacraments and obey Almighty God, Our Father. Turn away from sin so that you are able to go forth and convert the world. I come through The Eternal Father's love for those who will listen and are willing to take their part in saving souls. The world is in great turmoil because so many are living in sin and allowing sin to grow. Many souls are being lost because they are simply giving in to satan's evil. Never compromise truth or righteousness.

Please hear my words and change your ways. Respond and prepare, for the day is drawing near. The time is at hand and I ask all to take these messages seriously. Open your hearts and open your eyes and you will understand God's love and concern for His creation. The signs are everywhere at this time because so many are choosing to live in mortal sin. More signs will come and I beg of you, atone for you sin and believe in the Gospel message. Prepare your heart and prepare your soul so you will be ready at all times to answer His call.

**27<sup>th</sup> May 2005**

Many of my children will be deceived by the rising false leaders because they have not accepted The Truth of my Adored Son. Persecutions will abound and you will have your faith put under trial so trust in Almighty God and His Will. . So many claim that they believe in God but truly they do not for their faith is weak. Many believe only in what they can see with their limited vision. Faith must be something which is felt within. When the light of Christ enters your hearts you begin to trust unconditionally and know that all is able to happen through God Almighty.

I ask you to come close to my Immaculate Heart. It is a place through which all the world will come to learn that God the Father is a God of Love. Do not fear the events that can possibly occur in the world. Here you are safe, here within my Immaculate Heart and in the light Of My Adored Son's Sacred Heart. **Believe that** God does not punish for He is a loving, compassionate and merciful Father, Who cleanses in order to build a new world. Grow in Holiness so that you may understand Almighty God's purpose and Will.

**2<sup>nd</sup> January 2004**

I thank you all for you invitation. Today I call you in a way I have called to many others in many places over many ages. I ask you to pray that the Holy Spirit come and live in you in fullness so you may bear joyful witness to the truth for all who are far from their faith.

Pray for the gifts of the Holy Spirit so that in the spirit of love you can draw closer to your brothers and sisters and gain wisdom and courage to overcome all trials that you will encounter.

Pray for the conversion of those who have not seen the Truth of my Adored Son Jesus, The Christ and that the way you live your lives will bear witness to that truth for them and bring them to the endless love that is our Eternal Father, God.

**3<sup>rd</sup> January 2004**

Thank you for your invitation to again be with you. I ask you to pray so the gifts of the Holy Spirits will increase in you an awareness of our Eternal Fathers endless love. Practice forgiveness, do not keep pain alive. You must learn to forgive completely and without reservation as Our Father does for us. Forgiveness and Mercy are joined and lead to peace and are the Truth of Our Father, God.

It is important to practice these qualities, for I have to tell you that my Adored Son Jesus, The Christ now walks the Earth.

**4<sup>th</sup> January 2004**

Again I give thanks for your inviting me to your presence. I do not want you to just talk about prayer. I desire you to pray. I would like your day to be filled with prayers of gratitude to our Eternal Father for all you have and are.

I do not want your days to pass by in just words but also I ask you to use deeds to glorify God. I ask that you be awakened by the Graces of The Father and place your cares and worries in to his hands and yourself into his service so he may be glorified through you. I bless all of you and I love all of you. By my presence let me lead you to the peace of my Adored Son Jesus, The Christ and to

the salvation of your souls and the salvation of others.

### 5<sup>th</sup> January 2004

Again I thank you for inviting me to be with you. Today I want to make you aware that God has chosen you and He asks for your assistance, in whatever small way you are able, in His great plan for the salvation of mankind. In doing so believe that God is offering Himself to you in His fullness. He asks that you read the Sacred Scripture and live it. Pray in order to understand the signs of the times and the dangers of Satan's influence which is everywhere. This is a special time and I am with you and I wish to draw you close to my immaculate heart and to the Sacred Heart of my most Adored Son, Jesus, The Christ. Know that my intentions are for your protection and salvation and if you ask I shall I cover you with the Mantle of my Immaculate Conception.

### 6<sup>th</sup> January 2004

I thank you for your invitation to be with you again. Today I ask you to seek, find and absorb the love which lives in the Most Holy Sacrament of the Altar. Adore Jesus, The Christ, in all the tabernacles of all the Churches in all Parishes and you will be united with the entire world. Your Unity with Jesus, The Christ, will feed your soul and you will become witnesses to the Truth and love that Jesus has for all. I bless my most loved, Consecrated Sons and all of the loving and faithful Religious and ministers. Know that I am close to your hearts. Know also that I also draw you close to my Immaculate heart. I ask you to prepare your hearts for the coming days when the Lord desires to purify you from all the sins of your past. Our Father knows you are not able to do so by yourselves, alone, and I am here, through the love of the Eternal Father, to be with you and to help you.

### 7<sup>th</sup> January 2004

Today I again invite you to open yourselves to Our Eternal Father, God so that He may work through you and give you everything you

Seek strength through prayer to understand the faces of satan. Be aware of organizations pretending to be benefactors for many provide only evil in disguise. Look always to the souls of those in these groups. Many active and commonly accepted groups oppose God and The Christ and by their efforts they subvert the church and the family and the nations. Be aware the lawless one is among you. Invoke the protection of St. Michael. He is a great shield for you. He is the patron of the true universal church. Do not let satan enter the walls of My Adored Son's bride further than he already has.

When you read Scripture and understand the truth you will understand the power of My Adored Son in His name everything is possible. Read the Gospel of Luke Chapter 10 17:24. Know the power which you have over the evil of this world and which is contained in the Holy Scriptures. Act now while there is time. Much can still be mitigated through prayer and penance and suffering.

### 20<sup>th</sup> May 2005

More prayer is needed and I ask my children to listen to these words. The deceiver will try to destroy the bride which my adored Son, Jesus The Christ gave. The Church will suffer much and many will be persecuted. Help towards the conversion of sinners throughout the world. Pray for those who reject the Truth and those who do not believe and trust these words of advice. Promote the meaning of My Son's special prayer and chaplet, because this will be an instrument for peace throughout the world. Pray with devotion and also with humble love. Perform your penance and be not afraid, for the love of my Son's most Sacred Heart will soften the hardest of hearts and my motherly love will be their strength to crush the enemies of God. Consecrate your life daily to the task at hand.

I ask all to accept God's love and mercy. Reject sin and let your soul be cleansed. Do everything that my Son asks of you and stay close to the Most Sacred Heart of my Adored Son and also to my Immaculate Heart. Prayer and obedience are needed, so please listen to my motherly requests. Prayer and penance are the way to

29<sup>th</sup> March 2005

Thank you for your offered prayers. I do not ask you to pray for specific events or moments for always you will ask if it has happened yet or what is it to be. This way you lose your focus by worrying about the event and not the action of prayer. Always, I ask you to simply pray for conversion and to be prepared.

18<sup>th</sup> April, 2005

This world offers distractions which can affect everyone. Remain focused on your duty. Pray and trust and love Almighty God the Father. This is what He asks of you. Accept His Holy Will; grow in the grace that He showers upon you. Know He has given His love for you. Accept His love and His grace. Be unified as one in your prayer. Grow in holiness, grow in peace. Allow love and grace and mercy to be reflected through you in the coming days. Read Holy Scripture and especially read from the Book of Baruch Chapter 1 15:22. Learn that which is displeasing to the Father. Follow His Commandments always.

Be aware that evil grows in the hearts and minds of people everywhere. There is no time for inactivity while the battle rages. There is no time to be inactive when greed overcomes selflessness. Do not seek the ways of the world, abandon them and live a simple life. Faith is simplicity. Keep the Commandments. Know that My Adored Son, Jesus the Christ came in love, not to judge you but to save you. He forgave your sins, He loves you and asks you to return that love and change the world and transform the world's ways for this is the time of times. The truth is that the great trials have begun. Read the Book of Matthew, Chapter 24 Verse 9 on. Overcome the evil that is around you and soon to be seated in powerful places where you do not expect. Reject all forms of lawlessness; reject the works of men who do not obey the Commandments of the Eternal Father. Struggle and you will achieve much.

need to serve Him. Don't become confused or obsessed with petty or material matters for they are not eternal all you need do is pray and be active in prayer. I ask you to practice holiness for without holiness you can not be fulfilled. I ask you that the beginning and end of your day always be spent in prayer. Your prayer will lead you closer to the great love that is my Adored Son, Jesus, The Christ and with that love you can overcome every sin and defeat all of the trials which beset you. Pray and God will give you His peace. Witness God's peace to all and be messengers of peace in the world.

8<sup>th</sup> January 2004

I thank you for your continued invitations, for the time you have given and efforts you have made and above all for the love you have shown for my Adored Son, Jesus. Love endures and thus it overcomes and outlasts hatred. I tell you Satan is Hatred and he gives birth to all confusion and conflict, all dissent and destruction and he does not have regard for anyone or anything. I, through the endless love of God, call you always to harmony with each other and peace. Only through prayer, reading Sacred Scripture and receiving the Sacraments will you achieve the great joy that we desire to build in all hearts. You shall then be blessed and joyful witnesses of The Truth and love of My Adored Son, Jesus, The Christ. Know that I love you immeasurably and that I ask for your love, for the love you show to me you also show to The Father and The Son and The Holy Spirit. God has given to you freedom which I lovingly respect and humbly submit to, so we await the moment of your acceptance of our invitation to live the Truth of the Lord Jesus, The Christ. I patiently await your embrace and your love and your desire to be one people united through the Truth and love and redemption offered by the Holy Trinity, one God in three Persons, equal and indivisible.

26<sup>th</sup> February 2004

Do not allow your senses to deceive you. Many look without seeing, speak without thought and listen without

understanding.

You have all been given the gift of knowledge and the time to use that gift is NOW.

I ask you to do more, if you will. Do more for the conversion of souls for there is an urgent need to do so NOW.

The reward for those who convert before the mystery is revealed will be great for they will know and feel God's presence even before being born to eternal life.

Those who convert after the revelation will also have rewards in Heaven and their time in Purgatory will be lessened. Those who do not convert even though they are given the truth, sadly, will have no reward.

Even then Our Eternal Father, through His Grace and unending Love for all, will not let them suffer physical torment but they will live with the awful knowledge that they will never feel the presence of God's eternal Love and peace or be in the presence of the God-head.

Look around at the signs which abound. Learn from them and use that knowledge NOW for conversion. There have already been many signs and there will be more for those who are looking. Look to Asia, Greece, Italy and the Americas. Gain Knowledge from the signs and the TRUTH. Share the Truth and knowledge and I implore you to do it NOW.

The time of tribulation is necessary for cleansing.

If you have not felt loneliness then you can not fully appreciate love. Without pain or suffering you can not appreciate peace. Without turmoil and unrest you will never fully benefit from harmony.

With love, peace and harmony you will live in and with the Truth.

**8<sup>th</sup> March 2004**

The world is in disharmony and disarray because satan has been given his way and many have been seduced.

His time is to end but you must make it happen.

Small groups, with his influence, rule the media and government and the churches. When you oppose their views you are made to feel guilty. There is no guilt to be had in upholding the law of Our Eternal Father. Oppose all which is contrary to his revealed laws.

prayer and reflection and through reading the Holy Scriptures you can see the errors of your ways. All is revealed in God's Holy Word, His plan is a simple one, He wishes for you to live a happy life, a holy life, a peaceful life. He wishes for you to live a life that is in harmony with your brothers and sisters and with the creation He has given you. Many people will come to you. Do not feel inadequate when many turn to you for advice or to hear My words for you are charged to pass on the words I give to you from the Father. All my children are charged with this solemn duty. There are not enough who desire to listen to the words so take the words to them. Show them the truth of My Adored Son, Jesus. It is up to each to accept or reject and in the course of time His love will shine through those to whom you have shown it and who have freely accepted the Truth.

**16<sup>th</sup> March 2005**

Look to your brothers and sisters if you wish to see God The Father Almighty. Those who live in Him have Him within them. Those who have accepted the truth and light of my Adored Son, Jesus, The Christ into their hearts have Him within them and they are within Him. What your eyes see, He sees. What your voice says, He hears. What you feel, He feels. To see the truth of this read 1 John 4. 12:15.

**17<sup>th</sup> March 2005**

Tonight I am directed to remind you that everything around you that you see is from God and of God. He gives all to you and all He asks in return is simple obedience to His Commandments. When you reject the gifts that He gives you, you reject His love as well. Again I remind you, the time is short; accept the gifts God gives you; know the true worth of obedience and to fully understand read the Book of Deuteronomy Chapter 30: verses 15-20. Do not misinterpret what I have been allowed to give you.

truth will prevail. You will return to the graces which were enjoyed before the fall. It will be the time of great reward to the faithful who have kept the light burning and listened to the voice of Almighty God whenever He called.

Continue in your prayers for through prayer the coming trials can be mitigated. Almighty God pours His gift of mercy and compassion upon you at all times. It may seem for a while that satan's victories are becoming more numerous and more permanent but soon, very soon the light shall return to the world. Remain focused on your rewards which await you in heaven. Bear the trials you are asked to bear. Ask for more and not less and be grateful for what is given and always pray with sincerity and humility. So many do not wish to listen to the words I give, words which come through Me from the Father. Please listen to and act upon the words you are given and you can lessen much of the upheaval which is certain to come if disobedience remains the rule.

Every day you must spend some quiet time in thanksgiving to Almighty God for the blessings of the day. Reflect on all that He has given you, think of all that He has yet to give and know that the gifts that He will always have in abundance for His children are love and compassion, mercy and forgiveness so spend that time with Him in prayer. Speak with My Adored Son, Jesus the Christ as He awaits you in the tabernacle. Work with God and allow Him to work through you. Pray for all souls to find salvation. Do not be afraid of criticism for criticism is more acceptable when it gives salvation than praise which merely seeks to satisfy the ego. All of God's children need to have criticism from time to time for that is what will show them the errors they commit and lead them on to a full righteous path.

These times are most wicked and evil abounds. Satan roams freely and his perversions and his hatred are spread throughout the world and infect the hearts and the souls of my dear young children. It becomes a nature to them, the nature of death; the nature of self; the nature of pleasure. They lack discipline as so many of God's children both young and older and old also do. Through

Never be afraid to bear witness to the truth for the Truth is the Light of the Holy Spirit which will pierce the darkness. The only way to rest in God's presence is to follow the truth of my Adored Son, Jesus The Christ. Respect all who are on this journey of life but know that to compromise on spiritual matters is to lessen the faith and eventually destroy it. Salvation and conversion only comes from Prayer, and reading sacred scripture and the reception of the Sacraments. Use the prayer I give you this for strength.

**24<sup>th</sup> March 2004**

Soon evil and terror will strike changing life and man forever. It is Satan's time, his hour to manifest his hateful power. The date to strike is fixed. It will be a protracted battle, the worst ever witnessed by man. The ammunition is not just fire but disease, germs, insects, torture. All is derived in the hatred in the hearts of men who freely follow Satan, his lies, his ploys, his wickedness. Keep your eyes on the truth for after the battle my adored Son has promised you a New Heaven and a New Earth. Remain steadfast to Him and claim everlasting love, joy and life.

**25<sup>th</sup> March, 2004**

You have been told to seek and you will find, ask and the question will be answered, knock and the door will open. I tell you that you must open the door when you hear the knock, listen to the answer and look at the directions given to solve your question. In all you do, though, always remember that this is the day of The Lord. Take off the weight of your burdens and take on the Love and Mercy of God. Do not sleep but wait and watch and see the wonders of God. Accept that this is the day of The Lord and rest in His Love.

**4<sup>th</sup> April 2004**

I ask you to call upon God on bended knee to show your humility. Ask for strength to overcome your weaknesses and grow in holiness. If you ask of Him it will be granted. Know that the Eternal Father is love and His love is boundless. He also is Mercy and Justice and you shall be judged on your qualities of mercy and justice. If you are called to suffer then accept the suffering you have and be assured you will not be given more than He knows you are able to endure. This is a time of penance. Let your penance be done graciously and receive the graces of your contrition and humility and so let your example serve for the conversion and salvation of souls.

**8<sup>th</sup> April 2004**

Be at peace and know that I am with you each time you are asked to suffer for our Lord. Through each new cross you will be given strength, so please continue to persevere. Many children are suffering and my messages are God's way to awaken His children. Your suffering and prayers will truly help save souls. This is a time of growth, both in spirit and understanding, so please allow God to help you. Do not fall into darkness. God is showering His children with many graces, but it is up to the individual to embrace His love and mercy. Appreciate His love and mercy and use this time to live the Truth of my adored Son Jesus The Christ.

**8th May 2004**

I thank you for your presence and for your invitation to be with you. Tonight I ask you to kneel in silence and love and allow God to become the centre of your lives and families in order to see the graces which God continually pours on all of you. I tell you that without love you can not understand why He desires to be the focus of your life. I continually call you to God's love so that your lives may be balanced and replete and that you may see that all God gave and continues to give is simply given out of love.

Almighty God and His Truth to be your only focus during prayer. Pray so you may help the needs of so many who wander in the darkness and who wait to be raised into the light.

Readings given

Romans 15:13 , 15:4 Ephesians 4:4

**15<sup>th</sup> March, 2005**

It is time to return to the simplicity of the creation of Almighty God. You have been given many blessings and many graces, instead of proper gratitude you give disbelief, you give scant thanks, you take your graces for granted, you seek power and prestige over humility and service. It is time to change your behaviour. Accept the Divine Will of Almighty God. Listen to His words. Be obedient to His Commandments. Live your life in love and in service and in gratitude. Be obedient and do not seek to destroy as satan does, rather build for the Glory of God. Accept the truth of My Adored Son Jesus the Christ and know that the Holy Trinity are with you always and you are under the mantle of protection of My Immaculate Conception and when you are there you come closer to the Sacred Heart and light of the Christ.

The worldliness which satan creates always tries to seduce you with the lure of secular luxuries and transient possessions. Satan's time is quickly running out and he seeks to destroy and blind as many as possible before the last battle. Stand firm in your beliefs and never lose hope. If you pray and offer all for My Adored Son, then He will be your strength. God's justice must soon prevail and the persecutions wrought by satan and his followers will manifest in the short time. Stay close to the Sacred Heart of the Christ for He will never leave your side. He is and will be your comfort and your nourishment for all time.

Soon many of you will live in a world of harmony and peace. Brotherhood will replace enmity and selflessness and shared concern will be the new rule. Each will exist for the other and all will exist with and through and in God the Father Almighty. The love and mercy of the Eternal Father will be displayed for all and His

tumultuous and dramatic you still live in a time of great grace. Take this graciously given moment and use it wisely. Be obedient to the Almighty Father as He asks of you. Live your life as an example of the truth of the Christ and make your life an imitation of My Adored Son. Through your obedience you will find peace and within that peace strive for holiness. Serve all of your brothers and sisters in humility. Give to them all which you have been given and the greatest thing you can offer them is the Truth.

The world exists at the moment in a state of impurity and corruption and abomination. You are surrounded by perversions of all kinds, where disobedience to God's law is promoted and rewarded and the true faith of God has been forgotten. In such a world the light can not shine and righteous people will suffer greatly for the sins of the unrighteous. I assure you that God's justice will prevail as will His mercy. Many people will be harmed, unnecessarily, because of the selfishness of so many. Spiritualism and atheism and Pantheism are rampant in the world. Your lawmakers make laws against the Will of God and against His Commandments. They are protagonists of popular secular concepts and they are wrong. Sadly many of your leaders have but one agenda and that is to remove God from your life and promote a life of materialism and greed and self indulgence. I tell you that you must resist this movement, speak out against it and know that peace will be with you always. Know that God will give you strength and wisdom.

**13th March 2005**

Do not allow yourself to be discouraged in your faith for discouragement is not from The Eternal Father. Never give up hope for from hope springs the rock that is the foundation of your faith. Always be prepared by reading Holy Scripture and the reception of the Sacraments and through prayer so that you may be ready for the trials which are placed before you. Everything you have is a gift that has been given to you by your loving Father in Heaven. Some events might not appear to be gifts at first but with the passage of time their true nature is revealed to an open and understanding heart. Forego your wilfulness and surrender to and accept the God's Holy Will. Allow

With a mother's love I ask you to pray. Pray that you accept others with love. Pray that you are able obtain the graces to forgive those who have done wrong against you. Know that prayer is the fruit of our love for the eternal Father.

**13th May 2004**

The message which I gave to my blessed children then is as pertinent today as it was then. Until the world is consecrated to my Immaculate Heart and the Sacred Heart there can and will never be peace. It remains up to you.

**14th May 2004**

I have come as a sorrowful mother to proclaim the time of God's judgement, the beginning of the trial. My children I ask you to pray and pray and not to fear what is ahead for you. The Justice of the Eternal Father is the hope for the world. God will cleanse every part of the world every heart will be called to account and all will answer for their sin. Sadly, my faithful children will suffer along with those who have refused to accept my adored Son's Truth and model. Through your suffering you will have peace and your reward in Heaven, as will many others for whom you pray.

**15th May 2004**

The days are indeed upon you when the justice of God will be seen and felt by all of my children, everywhere. Those who follow satan will laugh at all this but their laughter will be short. The Eternal Father's tribulation will fall on them and their suffering will be eternal. You will shed tears for the many lost souls and pray for them. I tell you that I will hear your prayers and dry your tears and through your contrite prayers you will gain salvation. One day every tear will cease and be replaced by true joy, love and everlasting happiness. Love as you have been shown, forgive as you have been shown

and repent for all has begun and you must be ready.

### 19<sup>th</sup> May 2004

So many hearts are full of hatred, jealousy and pride. If you keep these in your heart you can never know peace or let in the Eternal Father's love.

Satan can and will attack you if you do not protect yourself. Do as I direct and you will be safe.

Wear your sacramental items, cleanse your souls and serve your penance regularly, receive my Son in the Eucharist often, invite the Angels and Saints into your homes. Live the truth of Jesus, the Christ, my son. Pray, reconcile and convert while there is time.

Listen to my motherly advice given with love and concern by the grace of your Eternal Father in Heaven.

### 20<sup>th</sup> May 2004

I your sorrowful mother beg for all my children to stop committing sin and commence praying. The world must change its ways now while there is still time. You must repent, reconcile and convert while there is time. Ask our Eternal father God to guide you. Allow the Holy Spirit to enlighten you. Let the Truth of my adored son, Jesus, The Christ be your pathway. You have heard my words through the ages and you have not listened. You have seen my tears and have not listened. You killed The Christ and did not listen. He arose to show you the reward and you did not listen. Soon all will have to listen. On my knees I beg of you to not allow that need to arise, my beloved children.

### 22<sup>nd</sup> May 2004

When you question sometimes your questioning is a doubt. Why do you doubt. Doubt can lead to the doubt of the truth doubt of God, the doubt of what is including the doubt of His love. My love for you is such that I want you to be in any doubt about it. I am

### 9<sup>th</sup> March, 2005

I tell you that those who give will receive and what they receive will be the abundant gifts of Heaven. Live and listen to the messages I am allowed to give to you by the grace of Almighty God. Live a life of charity and hope and of love. Live in humility and realize that nothing can be achieved by your self. God in His mercy is with you and helping you. Do not neglect to give thanks and praise to Him for He loves you and is deserving of your love and gratitude. I ask all of you to proclaim the message of My Adored Son, Jesus the Christ. With the grace of God and the love and the light of The Christ within you, extend the message to all so that conversions may happen.

The greatest gift you can give to your brothers and sisters is the gift of prayer. Pray often to receive the graces of God. Surrender yourselves completely to His Holy Will and you will live with His grace and His love. Receive the Sacraments and read the Scripture and pray. Remove the distractions of your life from your prayer life so that you may truly serve Almighty God. Do not be fooled by the words of satan and do not be misled by the ways of the world. Worldliness and materialism will not benefit your soul in any way. Your souls will only benefit from spiritual nourishment so surround yourself with things of the spirit. Hold fast to your Sacramentals but above all pray.

I tell you when My Adored Son is put back into your life and when He is glorified, as He deserves to be, there will be peace. Until that day comes, pray for wisdom and vision for those who are away from the true faith. I give good news to all my children and it is simply this; God is with you, and He hears your prayers. Many of the things that could happen in this world are lessened by prayer and I ask all of God's children to pray so that the events which you are warned of need not come to pass. If there is to be a time of purification then pray that you gain strength to withstand all which is to come.

Remember that even though events which surround you may be

cule the warnings you have been allowed to hear. Ignorance and pride are the methods by which satan blinds people and creates so many unbelievers. Satan roams freely and seeks to destroy and claim my children's souls as his. The battle with satan is upon all of God's children and it is time to pray for peace and guidance. Pray from the heart and whether you pray alone or you pray together I ask for unified prayer from the thirteenth day of this month and every day after. Pray for peace and understanding and for conversion and healing. Pray for tolerance between nations and pray for God to be with you and to show His mercy to you. In God's love and through the acceptance of that love you can know peace.

**8<sup>th</sup> March 2005**

I ask you to stay awake and be aware of the lies of the deceiver. He seeks to divert you from the Truth and steal souls from The Eternal Father in Heaven. Seek refuge in the Scriptures and remain obedient to the commandments of God. If you break any of the commandments then know that you break the first commandment. If you break the first commandment then you break all of the commandments for all have their basis in the love of God and our respect for His authority. Know that obedience is part of God's plan for your salvation so trust in Him and stay within the light and truth of My Adored Son and you will find salvation. At this time it is most important for your soul to be prepared. Use the time, which has been graciously given to you, and draw closer to Almighty God and know that you can always seek refuge in the Sacred Heart of My Son, your brother, Jesus. That which you understand as being normal is soon to change so give praise and gratitude for that you receive. Look to Philippians 4 – 4 to 9 to learn of gratitude. Remember the love God has for you will always be with you and available for you and He knows all that are His as His know Him. I give you a message of hope and love as revealed in the scripture in the book of Deuteronomy in Chapter 7 verse 6 to 10

heartened because although some fall others take up their cross and add it to their own. Do not fear what is to come. Fear is only for those who are not prepared.

**8<sup>th</sup> June, 2004**

Truth is light. Live in the truth and with the truth and when you do so you discover that that light is also love, the love of My Adored Son Jesus, the Christ. When you feel that light and that love you must share it with others. Pray for courage and humility to share the message. Live with humility, gain compassion, be merciful and you will live as My Adored Son asks you to live. Receive him in the Sacraments often. Remember and obey the commandments of the Eternal Father, ALL of the Commandments, for they are the fabric of your life and your unity with God.

**10<sup>th</sup> June, 2004**

The truth must be made known for so many are sleeping, so many are not listening. They are blind to the truth because they are in darkness. Give them light show them the truth.

My heart is sad because so many hearts have become cold. Violence is everywhere. There is no love; there is no respect, so much blood shed and all because so many have turned away from Our Eternal Father and from the light. Pray, pray that all will take heed of the truth before it is too late. Pray for conversion, pray for everybody, for everyone has a soul that can be saved.

Be compassionate take the light to those in the darkness. Ask God each new day for the strength that you need to respond to this message. Pray sincerely for the world and truly keep yourself close to my Immaculate Heart.

Many will suffer in purgatory because of their refusal to change in those areas in which they know that they are weak. Let go of your

pride, be true followers and servants of my adored Son Jesus, the Christ. Atone for your sins, this must be done before your souls can be purified.

Let go of the worldly ways, material possessions. Do not let Satan with his subtle traps, his diabolical ways lure away from the Eternal Father. Do not allow him to think that you are too busy to attend Mass, too busy to pray, too busy to think even for a moment of God, of Christ. Pray to take heed of the scriptures. Do not judge your brothers and your sisters that is not your role on this earth. Love them. Be humble. Be obedient. Guide them. Do not judge.

Oh how do I love you! More and more I feel you coming to me. Pray that you will always be an instrument of teaching, an instrument of love, an instrument of learning, of shelter, of protection. Go always with patience and gentleness.

Many will not give protection and be instruments of light. I must warn you for so many are giving in to satan. I warn you now stop killing, stop fighting, stop listening to satan and his lies, stop destroying the family, take a stand for God's law. Stop the killing of the innocents for if you don't as was prophesized the sky will darken, and the sun will seem to fall upon the earth and fire will scorch this land and all wickedness will be consumed.

This is a truly a time of preparation. Be wise, live the messages of my adored Son Jesus the Christ. Never give in to the enemy. There is so little time to remind you of all this, so please obey Almighty God, that way the only way will be forward. Stay close to my adored Son's Sacred Heart and He will protect you from all evil. Stay close, hold my hand, I am here to help you, to guide you, to give you these warnings. Keep a strong faith. Always be willing to do the right thing. The road will be difficult but not impossible.

pride but borne out of service to The Father and each other. I desire for my children to be close to Him in these times and I thank you for the love which the faithful hold in their hearts for Him and He also thanks you. Know that the freely offered love you give brings much joy to the hearts of heaven.

Be of sober thoughts and always remain thankful and joyful and as one with Jesus, The Christ. Listen to the words of scripture and take them into your hearts and ask the Holy Spirit for the ability to see them in new ways and with renewed importance. Take the scripture to the very depths of your spirit and be aware of the presence of God in and around you. Be aware also of His love which He pours out for you and all of His children and allow that love to change your path and your eternity. Have patience with each other and do not demand of others or have expectations from others. Always demand and expect of yourself and do not treat anyone in any way other that you would wish to be treated. Be aware of the feelings of the feelings of others and do not be unjust or intolerant to them. Pay attention to the way in which you react to your brothers and sisters. Remember that your position on the path is not where others may be, however, through Christ like ways you can help to guide many on the narrow path.

Trust in my Adored Son, Jesus, The Christ and respond to the love He holds for each of you. Through your response and openness peace will be given to you for He waits and wants to lead you to Holiness. Prepare your hearts and respond joyfully to His call and take courage from His words. Speak the truth and you will do much to heal the still open wounds of The Christ. Do not diminish the words of the Gospels and Holy Scripture for they are the vessels of truth which allow you to follow the way of God and not the way of the world. Stay close to the most Sacred Heart of Jesus and you will know The Christ in all His glory and love and mercy. Try to imitate Him every day and in all of His ways.

My heart is heavy when my children disregard the loving words which The Almighty Father, our God, has allowed me the grace to pass on to you. I am saddened when my children diminish and ridi-

peace also. Always act in truth and spread the truth of His love and mercy. Be compassionate and do not allow discouragement to distract you from the path of salvation. Trust in the wisdom which Almighty God imparts and allow yourselves to be instruments of The Holy Trinity. Live God's plan and follow His commandments and by your example proclaim God to the world. Become the visible embodiment of His care and He will be with you always as your support and protection.

Always perform the Eternal Father's Holy Will, as revealed to you, with love. Do not desire worldly pleasures for truly God's love is the only everlasting possession and it is your greatest treasure. Do not fear failure for The Father will be with you always and His love for you is such that He will raise all of you up if you should fall. All you have to do is to accept His outstretched hand.

Prayer must come from your heart so please do not rush your prayers. Seek quiet time to think on that which you are saying. Slowly pray and offer your love to The Eternal father and allow Him to pour His mercy and love upon you. Accept the graces He offers and respond to His call for prayer by opening your heart to His great love and mercy. Listen to that which I am allowed to say to you and take His words into your heart and allow them to become a part of you. Think upon that which you are asked to do and remember that prayer and obedience to The Father is part of the way in which souls are touched and given salvation. Go and always be filled with faith and peace through prayer.

I ask of you to follow me as I followed my Adored Son along the way of the road to Calvary. Deny yourselves and bear your crosses with dignity and humility and be true followers of The Christ. Walk with me and offer your prayers and perform your penance for the forgiveness of your sins. It is time to be fully prepared for the battle you are called into. The Eternal Father pours His strength onto you this day and renewed patience is given to you. He gives you an increased understanding and a deepened desire to become all which He knows you are able to be. Without the gifts of Almighty God you can never be prepared for He calls all to a greatness that is not of

Pray for all my consecrated sons. Pray that they learn how to be true servants of the Eternal Father so that they can guide their flock. Teach them, show them the truth. Pray that they can be faithful to My Adored Son. Pray that they are obedient. Pray that they do all they can for the salvation of souls. Pray that they realize that it is no longer time to follow their desires. All must imitate Christ to be an example to all of mankind. Pray to serve Christ at all hours. Wake up from your sleep and take notice. Take notice of Your Mother.

In all things be at peace. Turn to God each day and give your entire self to Him. Surrender to Him completely. Keep your heart open to all that He is asking of you. Always respond with truth and with love and with joy. Grow in holiness. Be closer to My Adored Son. Be strengthened in this time and carry the cross and embrace it. Through your example others will come to know My Adored Son. Allow Jesus to bring you closer to His Most Sacred Heart. Glorify My Son. Follow Him and His passion, through prayer, sacrifice and acts of love.

Know that God is pleased when He sees his children praying. He is pleased because their prayers are coming from their heart, they are sincere. We must always pray from the heart in order for the prayers to reach heaven. Be humble and loving. Do not be boastful; do not be full of pride for that will distance from the Eternal Father. In your truth and love the world will see the joy of Jesus shining through you. Remember to not criticize or judge others for then you will be prevented from being a child of God. Love, humility, compassion conquers evil. Keep your focus on the truth and become stronger. Grow in holiness. Become small to grow ever larger.

No one can stop prayer if it comes from the heart. So please pray, pray for the unbelievers. Pray for peace. Pray for the courage to live the truth. Trust in my intercession. Take shelter in my Immaculate Heart. Trust and pray to the Holy Spirit for the guidance needed to live God's Holy Will. This time is a time of trial. God will give you grace to stay strong. Be willing now to be persecuted for living your faith for soon there will be no more suffering, there will be peace, peace forever.

I ask you to continue to suffer for Our Lord for through this suffering many souls will be saved. Remain humble and joyful for in this way others will see Christ in you. Others will stay peaceful when they see peace in you. Never give up that which God has asked you to do for He has blessed you in so many ways. Use your hands for God and many will be healed in the way that God chooses. For God knows what is best for each soul. He knows how much each can endure so carry on for each time you say yes to God you are drawn closer to Him, you are drawn closer to my Adored Son, Jesus the Christ and each yes pleases God. Heaven awaits those who believe and use those gifts that God bestows upon them.

Go forth in love, strength and courage and share my words with those who will listen so that more many return to My Adored Son. Be an example and live your faith. Come to know God's love and mercy. There is no longer time for doubt. All must take heed and do their part. All must repent and mend their ways. All must come to know My Adored Son, Jesus the Christ so that they will be prepared for God's mercy and justice. You must spread the faith and light this world. Your vocation is to live a saintly life. You must pick up your cross and live out your apostolic mission. Share your faith wherever you go. Share your love of knowing Jesus. Live the gospel and be a true apostle for this time. Always appreciate the gifts that the Eternal Father has given. Use them for His mercy, use them for His benefit. Stay on the path,

living the vows of their vocation and they are allowing the ways of the world to become their only purpose and master. Give glory and praise to God for all you have and acknowledge Him in all of your dealings and endeavours. The Lord will provide for you and give comfort in all that you do. Accept Him and His Holy Will and allow all your needs to be filled through His love alone.

I have warned you before that the time has arrived when scripture can be fulfilled. I tell you that at this time the ways of my children in this world are worse than at any other time in history. Because of the thoughtlessness of those who have created such sin your judgment shall be swift and God's judgment will stun the nations and the world.

Do not worry about events which have yet to occur for they have not happened as yet and the severity can be lessened. Worry will not lessen them or stop them and fear only increases worry. Almighty God is not fear. Truly He is love and you can return His love through prayer and change much of what may be. Believe and trust in the light and the Truth that is The Christ and I ask you all to be a light for this for this world for without the light this world will become darker. Through prayer so much can be changed and some things can even be avoided so pray daily. Sincere prayer is you your defence against the darkness. Remember that the light I share with you is for all of your brothers and sisters so share it with all and call upon the Holy Spirit to use you in a purposeful and prayerful manner. Never lose hope and always remain obedient to God's Holy Will by trusting in His mercy and love and plan for all. Much sacrifice will be need and you will gain strength and knowledge through the reception of my adored Son's Sacred Body and through the truth contained in the Holy Gospels. Love will flow from your hearts and conversions will happen when you pray and allow the Holy Trinity to work through your actions and words.

6<sup>th</sup> March 2005

I ask you to be as one with my Adored Son, Jesus, as you go throughout the world. You must take His love and show it to all whom you meet and then you will be able to show and give His

Now is the time to awaken your sleepy conscience which justifies all things even those sinful and most displeasing to God. Do not justify these things on the basis of compliance to popular opinion or a good intention. The Father calls no man good who does not obey His word and remain obedient to His commandments. I implore you to consider the dangerous condition of your souls and the trap you have set for yourselves by walking with the devil instead of with Almighty God. Only by trusting in Jesus and accepting His word can you ever be truly whole and able to have the light in which to see and know and comply with God's commandments.

My children, I ask you to think of others before you sin again and see how in committing sin you are leading them on to the highway to hell. True love does not endanger the eternal life and salvation of another. Look into your soul and realize that God does not want you to live a life of convenience and of need and expediency. The qualities The Eternal Father asks you to have are purity, holiness and obedience to His Word and to His Commandments. Come forward and allow your souls to be cleansed by the waters of forgiveness. Seek comfort and wisdom from the Holy Scripture and in the Sacraments. Do not lessen your commitment to Almighty God the Father. Do not delay confession and compliance until a time which seems more convenient for you for you do not know the hour or the day when My Adored Son will come to harvest your soul from the field of life and bring it to the court of the Father's justice. Be ready at all times. Be prepared always to meet your Creator for the sands of time are quickly running out whereby His merciful justice will be delivered to one and all.

3<sup>rd</sup> March 2005

Know that through the grace of God The Father Almighty I am truly here for all my children. Accept the loving messages which I am allowed to pass to you and remove all fear and listen to Almighty God's merciful and loving words. I ask each of you to pray more because sin has become an epidemic and many souls are offering themselves to satan. Many of my dear consecrated sons are not

stay strong in your faith, stay close to My Son. Receive My Son as often as you can for peace will come from knowing My Son. He will not leave you. His strength will be given to you and you will see the light no matter how dark it becomes. Pray, offer yourself as a sacrifice.

(Jesus speaks)

You accept Me and you are able to hear Me. Listen as I speak to you, and pray for those who are refusing to listen. Come to Me when you feel alone. Take my hand and trust more that I am with you. Have courage, do not doubt, you are never alone. My Mother is also here for all Her children. She loves you as I do. Believe and trust, do not fear. Live a simple life. Take quiet time, speak less, listen and do what we ask of you. My presence will become more real for you if you listen and act. Do not fear. Open your heart and believe in My love, the love that I have for each of you. Put me first in your life so that I may lead you to My Father, who is also your Father. Be at peace and know that I will never leave you. Always, be at peace for I, Your Lord love you.

See, God's mercy pours down upon you. My Adored Son, Jesus is the only way to true peace and happiness. Trust in Him, let go of your pride. He can heal you in the areas where you are weak. Allow Jesus to comfort you and let go of your fear. Do not pretend that you can be happy to choose life without God. Happiness only comes when you live your life for the Almighty Eternal Father. God will change you. He will give you peace and love and joy. He calls you. Will you respond?

17<sup>th</sup> June, 2004

Allow God to be the first in your life so that you seek Him before making decisions. Be confident in God and open to His grace. Each child is special in God's eyes, come to Him, listen, reflect and respond to what God is telling you. Pray and give yourself com-

pletely to God and trust that He will not forsake you in this time. This is the time to turn back to Him with your entire heart. Time is important. Give your life to God, turn to God, so your life truly becomes one with His plan. Embrace His love, the love He has for you and for all of you.

2.

Do not lose hope I am with you always. Pray to God and look for Him. He is your strength, He is your refuge. Be prepared through prayer and the reception of the Sacraments. Stay strong in your faith, you will save souls. God feels your pain, He feels your fear, He feels your frustration. Through prayer you will receive the grace needed to persevere with your path. God's love for you is infinite. Strive to be like My Adored Son, Jesus, the Christ. Carry Him with you wherever you go. He will be with you. Remain faithful.

3.

All that the Eternal Father teaches you and gives you, you must give as well. It must flow into your hearts and from your hearts. Begin each day with prayer. You are in a time of mercy, a time of peace. Be merciful and allow the love and peace of God to be reflected from you in the way you live your life. Pray, fast, convert. Turn hearts to My Adored Son, Jesus. Pray from your heart; let that prayer transform your life. I speak to you from love and concern. My heart is with each of you. I am with you as is the Eternal Father, as is The Son, as is The Holy Spirit. Know love and peace and happiness. Go forth each day in the image of Christ.

4.

I call upon you to take refuge now in the most Sacred Heart of My Adored Son, Jesus The Christ. Take refuge, believe in His love for you. Do not listen to the lies of the world. Believe in the true love of God. The time has come that all must repent and do penance for their sin. Change is needed to appease God's wrath, for without change and a desire to live a holy life the mountains will shake, the sea will roar. God is unhappy to see the sin in this world. Give him pure love and prayer, prayer from your heart and witness to those who choose darkness. Invite them into the light. I will truly

ness so long as you continue to deny and ignore The Father and His merciful love and His desires for your proper life. You must understand that it is useless to carry the light and the truth of Jesus the Christ if you do not share it and if you do not show mercy and practice that mercy and compassion upon your brothers and sisters. Do not be deceived into believing you serve the Father or that your heart is pure if you are living in sin and disobeying His teaching and His commandments. Do not deceive yourselves in this way and believe that because He loves you, and always will, that He therefore condones your impure actions or will allow you to enter the Kingdom with these stains on your souls. The gates of heaven will be forever denied to you and My Adored Son will deny you before the Father because you have denied Him and have ignored His word. Do not fear if you were to lose relationships by accepting God's Holy Will and plan in such a way as to please Him for such a worry is baseless and has no merit in the eyes of The Eternal Father. You should worry that by living in sin and immorality that you will lose your divine inheritance to share in eternal happiness in the Father's kingdom. You should fear losing your soul to eternal damnation and to the fires of hell.

You are truly God the Father Almighty's children but you live in such darkness and with such soiled souls that He almost no longer even recognizes you as those created in His image. I come to lead you, through My Adored Son, to the safety of God. Do not harm your neighbour, do bear false witness against them; do not use their perceived failings and shortcomings as an excuse not to abide by God's laws and as an excuse not to honour His commandments. The Father's laws are just and His commandments are for the good of all His children and of their souls. His commandments keep you tethered to the Sacred Heart of the Christ so that you will not walk in false pastures or succumb to the seducer and his lies and accept them as truth. Good intentions are not sufficient to bring you to the Eternal Father and His Glory and Majesty and to rest in His eternity. Good intentions must be accompanied by good works and all must be accompanied by obedience to God's Will and God's commandments.

their own selfish desires will experience the fall from grace of the proud. Pride does not come from God. He gives only selfless acts of love for it is The Christ who gave up His life in order for you to have eternal life. This was His great outpouring of love. He that formed you, He that moulded the world with His hands was the same one who had His hands nailed to a cross in order for you to have eternal life. He is God and He is the Christ. Those of you who accept His love and mercy will find great reward in His Kingdom. Those of you who have accepted the truth will find strength to bear your trials and with the truth you will have life which will never perish.

In a blink of God's eye mankind will be simplified. Again I ask you, stay awake and remain on guard for a day of great change is coming and it will be known across the entire world. Many evil souls linger merely to destroy and to kill and their attacks are imminent. Nations will rise up against one another. A thunderous fire will consume many of God's people. These moments are not in the far distance. If you are in a state of grace you have nothing to fear for fear does not come from the knowledge of God and the truth. He gives this warning out of love because He wishes to guide each and every one of His children closer to the Kingdom of His mercy and His justice. Please, I beg of you, welcome the Father's love; for it is only through His love that you can be given the strength needed to persevere. It is only through knowledge of the truth that you will be able to help to guide His flocks into His light. Have pity on those who do not know the Christ and also on those who reject Him. There is a far greater suffering on the soul who knows Him and rejects Him than ever rests on the one who does not know Him and has not yet seen the fullness of His tender love. Turn away from the world of empty promises for worldliness carries eternal consequences. Carry Christ's light and truth before you and let that truth and that light enlighten the path to guide His lost sheep to the pastures of love and eternity.

I ask you to heed this warning given out of love. I ask you to return to the Eternal Father and to His ways. Do not refuse Him for to do so is at your own peril. There can not be peace or realized happi-

be with you as you gather and pray, pray from your heart. Respond with the love and joy I know is there. Be aware! Stay awake! Do not go to sleep! Do not give in!

5.

There must not be doubt in your mind, you must believe in God's love for you can depend on His care. Turn to God the Almighty Father throughout the day. Turn to His Will. When you trust and turn to God you gain strength and courage. Follow My Adored Son, Jesus, The Christ and His truth no matter what trials come your way. Embrace your cross with love and with joy in your heart. Do not grow cold, keep the fire alive. Believe and pray, do not lose hope. Move forward in the joy and love of Christ. Be loving and humble. Carry Jesus with you wherever you go.

6.

Do not be boastful of the love you know comes from God. Do not be prideful for this will distance you from The Almighty. Be joyful, be loving, let the world see the joy of Jesus shining through your eyes. Do not judge, a loving humble heart will always conquer the force of evil. Strive to be little and you will be lead closer to My Adored Son, Jesus, The Christ. Be a humble servant. Pray from your heart and your prayer will reach heaven. God chooses the simple ways to do great things. He chooses those who seek the simple way to do the great work for Him.

7.

Soon you will understand for a change is going to occur which will wake those who are deep in slumber. If they do not know My Adored Son, Jesus, The Christ and the truth, if they do not live in the light it will be much more difficult for them. They will not have peace if they are living in sin. Peace comes from knowing and living as Christ. The world must repent and believe in the Gospel and must turn back to The Almighty Father and ask for His guidance. Conversion will happen if the children who hear my messages do their part. Go forward in sacrifice and in discipline and commit-

ment. A true desire and obedience to come to know Our Lord is what is needed in this moment. A faithful and trusting heart that is willing to listen to The Almighty. Put on your armour against the enemy. This doesn't come from yourself, all is dependent on God. Nothing occurs on your own for without the Eternal Father you are weak, ask for His assistance. A true desire to know God is what is needed in order for love to enter your heart. Receive the Sacraments, spend the time with My Adored Son and gain the graces needed. Gain the strength needed to do what is right. Pray today ask God to guide you. A time is coming that in order to survive you will need to be totally dependent on The Eternal Father. You will need a strong faith, a humble heart. Jesus will need to be in your life. Do not delay. Build the relationships with The Father and The Son now. You will be given peace and happiness and He will give you comfort.

8.

I am with you for it is not yet time to leave you completely. I share your tears and your fears and through your suffering many souls will be saved. Through your suffering and obedience to God more will come to know the truth and live in the light of Jesus. Share your love of Jesus no matter how dark this earth becomes. The Eternal Father will light your way and His plans will be fulfilled. Almighty God will be your strength. He will be your joy. In the time of purification allow God to be in control of your life. Live a pure, simple, holy life. God is preparing you now. The time is coming and Jesus will renew the face of the earth. The time is at hand. Believe in God's love and mercy. He has plans for those who persevere, for those who remain faithful to Him. Allow The Eternal Father to purify you and prepare you for the road. Remain faithful to My Adored Son. Be an imitation of Him, be loving, be merciful and forgiving. Live your faith and do God's Will. Always be dependent on Almighty God. A door is opening, walk into the light for the time is soon at hand. Prepare your hearts in this time for you have been allowed to do so that you may grow in holiness and purity.

9. **(Jesus speaks)**

what you see and hear is only the external manifestation of that evil and it is much greater and more deeply entrenched than you could imagine. Do not give up the fight for slowly you shall chip away at the armour of satan and you shall help to remove him.

I ask you to never be too busy to do the work of The Father. Be united with Him and accept His Holy Will with thanks and gratitude for every moment or every day and for every gift He gives you. Understanding and forgiveness are His gifts as are compassion and mercy. His gifts are love and fellowship and brotherhood and all of His gifts are found in my Adored Son, who is His greatest gift to you. Be grateful and come and seek to comply with the plan of Almighty God.

2<sup>nd</sup> March 2005

The hour is coming to a close and it is not the hour to be wasted rather it is the hour of repentance. I repeat ,if you place the worldliness and the selfishness of your own needs ahead of those of Your Redeemer you will perish. My Adored Son, Jesus the Christ shed His Most Precious Blood in order for you to have eternal life. He calls all to His banquet table which He has set for you and He continues to pour out love and mercy and still so many do not accept it. Why do so few accept the love and the mercy of their God? Many believe that they are in control of their own destiny and their own judgment. An awakening is about to occur and one by one I ask you to draw those in the darkness into the light and those already in the light closer to the Most Sacred Heart of My Adored Son and under the protection of the mantle of My Immaculate Conception. You will need to be strong for you will face many obstacles and your brothers and sisters will be against you as I have already warned you.

The final confrontation with satan is beginning and the battle can only intensify. It is the hour for repentance and it is the hour to come to God and seek to fulfil the mission you have been sent to do. Accept His words and love and accept His mercy. Those who allow themselves to be guided by the forces of evil in order to fulfil

all your brothers and sisters act now while there is yet time and bring them to the sacred heart of my Adored Son. Bring them to my and I will take their hand and lead them to the Father. Reveal the Truth as given by my Son and it will be the beacon which gives understanding to all.

Accept the graces given from the reception My Adored Son's body, daily, if possible and pray daily. Let your day be a prayer to The Almighty Father and carry your cross with love and grow in strength so you may endure the days of torment which are to come. Man ignores God and so the darkness grows. The Eternal Father's laws are vilified and cast aside every moment of every day. They are broken and disgraced and so many souls are lost because of these actions. Help to guide them back to The Father. The laws of man can never overrule the laws of God so do not be tempted for you must resist all which you know to be wrong. This is a test of your faith and of your trust in Almighty God The Father. Know that He will give you strength to persevere against the opposition. Through prayer all can be revealed and you will grow in knowledge. Heed God's messages which are given to you, by me and through His grace. Move forward and grow in understanding for the battle with Satan has started. The earth must be cleansed and renewed for the new world to emerge and in order for you to be prepared for the reign of The Christ and his endless compassion.

When The Father calls always answer and make His call the first which you do answer. He gives you many gifts and He showers you with graces and strength and He calls you to guide lost souls back to Him. Prayers are never wasted or lost for they are eternal and the good which they do lasts through generations. Kneel in front of my Adored Son as he resides in the Tabernacle and speak from your heart and become a part of His Truth. Do not allow the graces you receive to fall away and be wasted. Much sin prevails in this world and confession and penance are needed to help overcome the power Satan holds over many. Through confession and penance you will be freed in a way that those who are not free can ever understand. Events move quickly and as all events escalate you become aware of the abundant evil in the world. Know that

Do not fear Me, for I come to you in love. I bring you peace. Do not run when you hear my voice for if you do the world can never receive the messages of My love and of My hope and of My faith in them. This is the time of My great mercy. My heart is overflowing with mercy and love. Time is so short and many souls are still so far away from Me. Help Me to bring them to Our Father. I will guide you. You're chosen for these times. My words will burn in your heart, share them, and listen to Me. Endure all suffering. Prayers are needed because of the sins of this world. Pray and do penance this will appease My Father, your Father. Listen to Our Mother, pray and take the directions I give. The answers will be given to all who come and spend time with Me. My children are confused. They are confused because they spend so little time with Me. Come and know Me. You must become dependent on Me, on Our Father not on your wealth. Wealth will not get you to heaven. It is I Your merciful Lord who will give you all that you need. Trust that I am here for you. Allow me to feed you so that you, in turn, can pass on my words to not give up. My peace and joy I give to you now.

10.

Persevere in love. Respond and trust and love Me as I your Heavenly Mother love you. Today I give you My Motherly blessing. Accept it. I am here for all of My children. I hold the world and all My children's needs in My Immaculate Heart. All My children have to do is to enter and take refuge in My heart. Remind My children how much God and I love them. Allow The Eternal Father to teach you and guide you on this earth. Pray for God to direct others who have fallen away from the Sacraments. Allow the Holy Spirit to guide you each new day. Do not try to take charge for then Satan will confuse you. Spend your day in prayer and peace and the knowledge of the love of The Eternal Father, The Adored Son. Do not allow them to leave your heart. Remain strong for Our Lord.

11.

Prepare your heart in order for what is to come. You must allow The Eternal Father to work through you. Begin today by loving all,

forgive all who have hurt you so that only love and peace remains in your heart. Receive My Adored Son, Jesus, The Christ in the Sacrament in the proper way. Pray every day. Allow your soul to be cleansed. Allow the strength of The Almighty Father to live within you. Allow Me to continue to teach you. Decide to be on the side of Jesus, The Christ. Allow Jesus to be the very centre of your life and peace and happiness will come upon you and Jesus will live in you. Trust; decide now to truly live in the light.

12.

I come to you as a Mother, not to chastise but to bring hope and joy to all of My children. I am a Mother to each of you, help Me to help you. Go forward with hope and trust and love in your heart. Give your life to My Adored Son. Pray daily. Please surrender today and respond to His love, to the love of The Father. Live the life of Christ and you will become closer to Him. Unite your prayers with the Holy Family and We will bring divine truth to this world. Be obedient and loving.

**1st July, 2004**

1.

Purity and holiness live together. Do not offend My Son by giving in to worldly ways. Dress appropriately always. When in Church keep your focus on Jesus and you will know in your heart what is right and what is wrong. Always be aware that satan and his sly ways will try to tempt you. Be prayerful, live a pure holy life. Obey God's laws, all of His laws. Adore My Adored Son in the most Blessed Sacrament and He will help you and give you strength. Be dependant on the Eternal Father and live your simple lives purely for God.

2.

You must make everything in your day be a prayer and an offering to the Eternal Father. With the help of all of our faithful children souls will be saved. My dear consecrated sons do not give up.

freely opening your heart and giving mercy and love you receive so much more in return.

The noise of the world is a distraction and it deters so many of my children from knowing the Eternal Father. Many are sent in one direction or another but never in the direction of God and as a consequence many can not hear when He speaks. Assist them to return to the Godhead and show them through example how to adore our Lord so that they may be guided well through life. Help my children to learn and to allow time for prayer. Show them how to find inner quiet and listen with their hearts. All distractions need to be removed so that more time can be spent in conversation with the Eternal Father. It is time for an alteration within your lives and time to be with God. Work with Him instead of against Him and He will work through all who are touched by the graces He pours upon the world.

**1<sup>st</sup> March 2005**

The fruits of My creation are in disruption. It is the fall of mankind through your sinfulness which will soon bring the waves of chaos. My children you can not continue to step ahead of Us, your Triune God for you are given one life and one soul so do not waste your soul. Each soul is a perfection of my creation and when you destroy the fruit of my creation through your selfishness and your worldly desires then you must realise that you cause the chastisement that is to come. This the hour and I continue to show all of you My Love and My Mercy even though I am rejected by so many. Welcome My Love and My Will for you and draw closer to me for this is a day for you to change as you understand that I must enact that cleansing.

Return to The Father with the simple act of love and obedience of kneeling before my Adored Son and asking forgiveness. Allow Him to pour His Precious Blood upon you and cleanse you. Receive His Grace for much suffering can still be avoided if you act quickly. Help dry the tears of my eyes and take the pain from my heart and stop placing my Adored Son back upon the cross. For the sake of

for those who seek to steal your soul. Pray for the leaders of the nations so that they may gain tolerance and understanding and begin to work together and for each other. Always remember that where prayer is lacking evil will spread.

Spend more time with My Adored Son, Jesus the Christ. With His help you will make the right decisions as you travel through your life. Spend time with Him so that He may nourish your soul. Faith is lacking in this world today and God's Commandments are rejected and ignored. Pray that all might come back to an understanding of what is right and what is wrong. This is not the time for you to be silent for all must be awakened to the need for repentance. Satan roams this world seeking destruction, creating discord and disharmony. He causes many to suffer; he causes great disasters to come upon those that have become his. Prayer and penance is the only way to stop that which could happen.

Receive the light and the truth of My Adored Son, Jesus the Christ for that will be the way to survive in the coming days. Remain firm in your faith and reject the ways of the world for they will not last and they will not assist your salvation. Faith and understanding will be your sustenance. Draw upon the love and direction shown to you through the Holy Scriptures. Read the Gospels and live a pure, holy and pleasing life. Live the faith, show the faith and share the faith. Faith is in your hearts so allow it to shine, and permit it to overcome the evil which is around. Do not become subject to anyone who thinks that they have the right to say who may live and who may die. Those who make that decision put themselves above Almighty God and they shall be called to answer for their ways.

I tell you Almighty God the Father can not work through you if you always seek the easy path. Show the truth and the love to those around you and open their hearts with the message of the Christ. God cannot help anyone who closes their heart to change. For change is needed now. Their hearts must be opened to receive the Holy Spirit and only through an open heart can the light of the Christ shine. Only through an open heart can compassion flow. By

Use yourself as the voice of Christ to keep all evil. Please pray more. Pray and turn to God for guidance. You will be the light of the world through your prayer and through your sacrifice and through your penance. The commitment that you give will see souls find the light and move from the darkness. Bring souls from the darkness before the darker days come. Prepare now before the storm starts. Trust in the Almighty Father God when you pray and you will have peace and you will have light in the midst of the darkness, you will have love in the midst of the trial and you will have peace in the midst of the storm.

3.

When our time is done and I no longer come to you, you will need to be strong in your faith, you will need to go forward for Jesus the Adored One, My Son, the Son of the Eternal Father. The time that I can be with you must not be wasted. Be ready for the time ahead. Do not sleep. Decide how to truly live the directions and the messages that I and My Adored Son give you. Prepare your heart. Prepare your home. Allow God to work through you. Begin today. Truly love each other, truly forgive those who have hurt you, truly love peace and feel it in your heart. Truly believe that Jesus the Adored Christ is present in the Eucharist. Clean your soul, receive the Sacraments always properly and pray every day. Pray and you will all be given strength. I am asking for more prayer and let me lead you closer ever closer to My Adored Son Jesus the Christ and His truth. Always be at peace and in love and be humble. Let Jesus be the centre of your day.

4.

I ask you to pass my words on. Do not be afraid of them. Do not hesitate when I come to you. Do not let satan and his followers discourage you. Your saints and your angels and your guardian angel watch over you. Know that you are never alone and be glad for this time. Be thankful for the messages I am allowed to give you by the grace of the Eternal Father. Let the words truly become part of your heart. Listen with an open heart. Respond and have

peace in your heart. Always know that if you feel peace when you think of something, it is of God if you do not feel peace then discard it and know it is from satan. Always discern, always be aware of the venom of satan and his poisons.

5.

Do not harbour hatred, do not indulge in gossip. Pray, pray for one another and through prayer you will have peace and the darkness in your life will be filled with the light of the truth of My Adored Son, Jesus the Christ. I ask you to stay together, join hands and live together. Be loving and forgiving do not fight one another. Live the truth of the Gospel and let the love of Jesus shine through you. Your actions must imitate Christ each day. If you desire to be like Him, you must be humble, loving children of God.

**6<sup>th</sup> July, 2004**

1.

When you sin you open the wounds of My Adored Son, Jesus the Christ. When you pray and meditate and make sacrifice you help to heal those wounds. Never deny the pain and agony that the Christ endured for each of you. His wounds were deep and He suffered in silence. He bled until no blood was left. He picked up His cross and suffered for you and for all of humanity. Follow His example, embrace your cross with love and joy and every new cross that comes to you allow yourself to embrace it and offer the suffering you have to Our Lord. Every time you do this you embrace My Adored Son in His passion. Surrender your hearts to Him. Be humble and pure. Turn away from sin. Live a holy life.

2.

Remember the Eternal Father is with you through all your trials and through all your tribulations. He is there to ease your worries, to ease your concerns, to show you the truth, to let you be at peace.

favour with The Eternal Father in heaven. Now is the time to defend the truth of My Adored Son; it is time to remove immorality and godless behaviour from your lives and your world. Listen in silence and hear the voice of Almighty God calling you; listen and He will tell you what to do. I ask you to seek those who worship false gods and speak of religions that are not of Christ and reveal His Truth in order to help Him come into their hearts and bring them from the darkness into the light.

I bring you the living water that is My grace which runs throughout your whole life. In life water is necessary for your continued existence. Without water seeds will not germinate and crops will not grow. You need water every day for your nourishment and survival. I remind you of the woman at the well. I told her that she could receive My living water and she would not have to draw it every day. I spoke to her of My grace that is just as necessary for your spiritual life as water is needed for your physical life. My flowing graces are always available to you when you ask Me for them. In every Sacrament you receive My heavenly graces. In confession I forgive your sins and I replenish your soul with sanctifying grace. When you receive Me in Holy Communion you receive My grace to heal your sins and strengthen you against temptations. When you want to seek heaven you must follow My Will and My Commandments and I will give you My living water of grace so that your soul can be alive and vibrant for all time.

I say to you, you need to learn how to discipline yourselves. You learn by seeing and by hearing. Watch and learn as others show you how to pray. Learn of the graces that come from prayer. Prayer is the gift by which Almighty God the Father gives you graces. Prayer will shelter you through the storms and prayer is a mighty weapon against satan and can lessen what is coming your way. I ask you to listen for and obey Almighty God and ask yourself are you doing all you can to please Him. The time is short so please increase your prayer. Pray that the Eternal Father's great mercy can be accepted by all. Pray for your enemies and for all of those who truly want to destroy your earth, your way of life. Pray

I tell you always seek strength in the Sacraments and the Scriptures. Through reading the Scripture you will gain much knowledge and much understanding. All is revealed in the Scripture. Much knowledge and much strength will be needed to persevere and to accomplish that which you set out to do. Look to the second book of Timothy, chapter 3:16 and gain wisdom.

24<sup>th</sup> February, 2005

At all times and in all places hope remains eternal. My Adored Son came to earth to give you hope. His hope is that you will accept His message and find salvation. Treat each day as a blessing, which it is, from the Almighty Father. Trust in God Almighty's Wisdom and Will and allow all to be good in spite of what it may seem. Retain hope and rise up in that hope for a new day is dawning. Be obedient and loyal to God the Father Almighty in all matters. He asks a little of you but gives much. Give that which you are able to Him, give Him praise give Him thanks give him love. Allow the peace which God offers to settle upon you.

You are nothing without love, for love gives you direction and meaning and understanding. God, our Father, is love for He gives you all of these things. Remember the love that you feel when you look into the eyes of a child and see complete trust and complete reliance. The love which you feel when you do that is the love that God the Father Almighty feels for each and every one of His children and it is the love that I, Your Mother, feel for each and every one of my children. I ask you to return to the childlike trust that you once had and in doing so you will accept the love which God has for you and you will feel the love you as the child have for the parent. I ask you again to read the inspirations of Paul in Corinthians and read it with a new mind and a new heart and with a greater understanding of the love that he speaks of.

I say to you that if you stand for the misguided and abominated ways of the world you will lose your soul. If you uphold the Commandments of God and live the Gospel messages then you will find

God's love must not just be spoken it must be made real through each of you. Put all of you know of the truth in to practice and let God's love and mercy shine. Live God's love and mercy. Truly love each other. Feed each other with love for many are starving. Tell all my children that there can never be peace if they do not spend time with My Adored Son Jesus the Christ, their Lord and their Brother. Open your hearts to the peace. Remove that hatred, remove the enemy satan. Take away his darkness. Pray more each day and let your lives be transformed by your prayer. Pray together, pray as one, pray as a family, pray as a community. Consecrated yourself to My Adored Son's Sacred Heart and to My Immaculate Heart. The first love in your life must always be God, the Eternal Father. If you truly want to grow adore Our Lord, follow His way, follow His truth. Be prudent, be discerning, always stay close.

3.

If you do not take time to listen to God, you can never hear Him. Stop running around, stop busying yourself with other things that are not important. God truly speaks to you but you must listen. You must listen through your heart. Take time to listen and take time to speak, take time for prayer, serve the Lord and embrace each day with joy. Obey Our Lord and live according to His way. Trust in Jesus with your whole heart, trust and He will respond. He will call you to do His work. He will call you to be merciful. Be obedient to His call. Respond when He asks.

8<sup>th</sup> July, 2004

Reach out to all who have turned away from their faith in order for them to return to the church and the sacraments. The pathway to salvation must soon end and I ask you to not cease in your efforts to help in the conversion of souls through the light of the truth. Show compassion and mercy to all in need. Give comfort and ask to be forgiven by those that you have hurt. Forgive those that have sought to harm you. Forgiveness is the pathway to healing. Do not judge for then the path will be blocked. Pray, pray read Holy Scripture, confess your sins. Do penance. Pray for the Holy Spirit

to come into your heart and bring to you his many gifts of love. Receive the truth of My Adored Son, Jesus The Christ into your heart and let Him live in you through your proper reception of Him.

### **St. Maximillian Kolbe speaks**

It is through the heart that a soul shall find God for the Lord fills the heart with His Spirit and the Lord fills the heart with His unending love. Do not wildly seek God rather in quiet humility listen to the words He places within your heart and He gives to you through His Immaculate Conception.

**15<sup>th</sup> July, 2004**

1.

I want you to know always that the Holy Spirit will guide you in all of your activities, in all of your quests. Continue to pray and be humble to read the word of God and above all remain faithful to the Eternal Father. Whatever else happens do not lose your faith, pray for peace, pray for faithfulness. Your journey is a journey of faith. The path is lit by your faith and by the truth of My Adored Son, Jesus the Christ. When you walk in faith with Him you walk truly in the light.

2.

Draw close to My Immaculate Heart. Strive to be humble, loving, dedicated. Devote yourself to the peace that you can find only within your heart through the truth of the Eternal Father. Give this peace to your community, to your family, spread this peace to the world. Join your hands in peace and pray. God hears your prayers when they are given humbly and from the heart. It is God the Almighty Father who knows you most and hears you always. His love for you is endless. He places His love in your heart. His love is His Begotten Son, My Son, Our Lord of Peace and forgiveness.

3.

tience and loyalty are then tested. Do not question. Accept the Will of God and it will serve you well He will be your strength and nourishment. Trust in God in all matters.

When you see souls on the path to Hell it is your duty to show them the way to the right path, you are obliged to point out to them the error of their ways. If you should be criticized or rejected it does not matter, for in all things you must speak the words that the Christ has given you. You must speak those words to them you must give them good example. You must try to save all souls for that is the duty of a disciple of My Adored Son, Jesus the Christ. Take responsibility and take action for you must not just give lip service to your faith and belief but give action to it. Stand up for your faith publicly and I promise you The Eternal Father will welcome you with open arms when it comes time for you to stand in front of Him. Chastisements are because of sin and not all of the people affected are necessarily in a state of sin. Repent your sins and help to mitigate the effects of the trials which are to come, read the gospel, receive the sacraments and spend time in discussion with Christ in the tabernacle for there is still time to avoid much. Pray that those who are living in sin come into the light which shines from the most Sacred Heart of My Adored Son take advantage of the time that you have for although it is short it can be spent wisely.

**23<sup>rd</sup> February, 2005**

As you have already been told great graces come from the reception of the Sacraments and from reading Scripture and from performing your penance. Take these graces into your heart and let the light shine for the light of my Adored Son is a light that cannot be diminished no matter how great the darkness that surrounds it. It is a light that cannot be extinguished no matter how oppressive the atmosphere around it is. Allow this light to burn and shine and give you strength and courage. Much strength is needed and many prayers are needed to mitigate that which is to happen in the coming month. Pray now for all those who will be affected!

17<sup>th</sup> February 2005

Do not allow the noise of this world to deafen your ears to the voice of Almighty God. Go out into the world and be an example of The Christ to all of your brothers and sisters. Remember that time is no longer on your side so move quickly and allow the Blessed Trinity to dwell in your heart and in your souls. Spend more time with my adored Son Jesus the Christ and use the gifts God has blessed you with. Pray and serve Lord God with a grateful heart. I thank you for all the prayers you give to Him and for all of the love that you show to Him. Always give praise and glory to God and thank Him for all which He has and is to give.

Pray for all so that they may see the light and change their ways while there is yet time. Take advantage of the grace of time which the Almighty Father has given to you and improve your spiritual lives. Do not allow anything to distract you from the final outcome which you desire. Do not become embroiled in arguments of what is right or what is wrong for praise for you already know that which is right. Avoid all things, which are termed to be of the "new age" for truly I tell you they are of satan. Do not pray to the mother spirit of the father spirit for that is a prayer to satan. Do not invoke the earth spirit for that is an invocation to satan. In all things your prayers are directed to God the Father Almighty and anything else is directed incorrectly.

Do not forsake God for these false gods and do not seek wisdom and understanding in so called mysticism, rather find it in the deep spirituality you will experience when you spend time with My adored Son as you kneel in front of The Tabernacle. Pray for the help of God with discernment and avoid all modern idolatry and give praise and glory to God The Father only.

In the time of destruction that is to come you will know those who are of the Eternal Father and who have accepted the truth and the light of the message of my Adored Son for amongst all the clamour they shall show nothing except peace and calm. Remain fixed in your direction for whenever you question it or seek reaffirmation it becomes a distraction and you lose your focus on the Eternal Father, you question your obedience and your fidelity and your pa-

You know that the church is under trial. The enemies of the church attack, they wish to lower the values of the church to influence it, to take it to a level where no longer what it says is responsible. I ask you to go back to My Adored Son Jesus the Christ. He waits for you. My Adored Son said to Peter "You are the rock and on it I will build My church". I say to you that you are the heart in which Jesus will abide devote your prayers to peace and to the remembrance of the great sacrifice of My Adored Son.

4.

Beloved Mother you walk with us upon the lighted path  
Turn your merciful face to us

Keep us in the light

Fill us with your kindness and your love

Always show us the splendours of heaven

Let nothing ever trouble our peace or turn us from the love of the  
Eternal Father

Let each minute take us further into the depths of the awesome  
mystery of the Trinity until the day when our soul receives true  
light through all things Eternal.

5.

Know of God's love for you. Know that the sacrifices you offer for Him are pleasing to Him. He gives you the grace to take this suffering and to serve Him. He asks you to abandon all your concerns to Him. Leave all of your miseries and worries in His hands for He knows the content of your heart and He will be with you always.

6.

This is the time for true discipleship. Pick up your cross and follow the truth of My Adored Son. Abandon everything and die to your former life so that My Adored Son can live in you and you can live in Him. Believe in His words and His truth and yours will be a joyful heart in the midst of all trials and of all suffering. When you are frightened, when you have questions always remember the answer is in the truth of My Adored Son, Jesus the Christ.

7.

Know that suffering will continue. Calamities will still occur. The severity can be lessened through fasting, through prayer but sin continues to grow. Many live only for themselves. Pray that souls convert and embrace this time of grace. Stop the suffering of the poor little children. Pray for mercy for those who have hurt and wronged the Eternal Father and have not yet repented. Pray for sinners to convert. Pray that people turn away from Satan and the path to hell.

### **Monday 2<sup>nd</sup> August, 2004**

I ask you to renew your love for Our Lord and Saviour, My Adored Son, Jesus the Christ who is present in the most Holy Eucharist. Take refuge in Our hearts for many trials await you and much faith will be needed. Prepare your soul now. Allow me to lead you closer to Jesus. God's love is truly shining down upon you but you must accept His love. You must turn away from sin you must let go of pride and selfishness. Turn away from evil. Cleanse your souls, do penance for your sins. Spend time in the Adoration of My Adoring Son in the most Blessed Sacrament of the Eucharist. Spend time with Him and do not be distracted by the world. Spend quiet time with My Son and examine your conscience. God speaks to those who come to Him with an open heart. Jesus longs to hear from you. Spend time with Him everyday and adore His Most Sacred Heart. Pray, kneel and adore My Adored Son. Spend time with God. He cannot work through you if you will not work with Him. Let the Holy Spirit fill your heart. Be faithful to Jesus, the Christ.

My children, you must turn to God and amend your ways while there is still time. While there is still time for repentance accept God's love and mercy. Live the Gospel. Let God shower His mercy upon those who repent and return to Him. You cannot live in sin and say that you know the truth. Sin separates you from God, only darkness is to be found in sin, the darkness of the pit, and sin pulls you deeper ever deeper into the darkness of the pit. Darkness surrounds so many. Let in the light. Listen to My Adored

for he opens the world up to great destruction. Pray daily and join your prayers with those around you; join your prayers with all like minded children around the globe. Ask for mercy upon those who follow Satan. Ask them to be given illumination. Remain faithful and Salvation will be the reward for your fidelity. Show others the path to salvation. Show them that it is gained through the knowledge of my adored Son Jesus the Christ and by living His truth and by living His example. I approach the time in which I remember the pain and the agony and the passion of My Adored Son. Know that He suffers still and that He willingly suffers for you. He would not change anything that He has done for in doing so He could not show you His great love and mercy. Through your love and through your penance you can remove His suffering forever. Strive for holiness. Commit yourselves to the Divine Will of Almighty God the Father.

Pray and cleanse your souls for great changes are upon you. During what may seem a calm day you can be caught off guard so do not be deceived. The world is already in a great shadow which has been caused by sin and yet you continue to hate each other, you continue to distrust each other and you continue to kill your neighbour. You covet your neighbours' possessions and you act in immoral ways. You kill your children and create abominations and think yourself to be equal to The Almighty Father and through all of this He still pours His love upon you. Pay for forgiveness and take notice of and accept the call of The Father to change your ways. Desire for God's Holy Will to be accepted into your life and allow Him purify you through The Sacraments. Resist temptation and take up your cross and bear it with dignity and quiet humility and know that God's falling hand can be slowed through prayer and obedience to His commandments. Do not ignore His warning for days of great darkness will soon fall upon another nation. A great trembling will occur through the earth and buildings will fall as the earth opens. The land will slip away and there will be great movement in the waters. Rivers will change their course and then fire shall come into the sky and the earth will be scorched. Be prepared!!

words with everyone whom you meet as you move about the world. Be obedient to the commandments of The Eternal Father, receive The Sacraments and pray. Do not allow the evil tormenter to have his way with your soul and be aware that he will strike in the day and in the night so remain aware. Raise up the light of The Christ and be illuminated. Remain humble and prayerful and show God's love and mercy and compassion and stand up for all that is righteous and tear down that which is an abomination. Remember that no one is above temptation so remain close to the Most Sacred Heart of Jesus through prayer and the Sacraments and you will be steadfast in your commitment. Always give praise to Almighty God and behave in a selfless manner.

Take quiet time before prayer and truly pray with your heart. Do not allow worldly matters to distract you for in prayer you will find a release from distractions if you are sincere with that prayer. Do not allow anything around you to remove you from your prayer because prayer is so very necessary at this time. Allow Almighty God, The Father, The Son and The Holy Spirit to remain the focus of your daily prayers and know that I wait to take your prayers and place them at the feet of The Father. Open your hearts and minds to the Passion and the sacrifice and the death of my Adored Son. Allow His Sacred Heart to embrace and strengthen you and to reveal His unending love for you. He will guide you to the mercy and love which you obtained through His resurrection. It is most important to keep praying now for the world approaches its destruction. He is counting the souls and so many, still, need to be brought into the light. Your prayers and your sacrifice and your penance can mitigate the severity of what is to come but not the event. My heart is heavy for all of my children but remember that you have been warned so that you may be prepared.

10<sup>th</sup> February 2005

There is great hidden destruction in this world that few notice but I tell you that the evil one is preparing the earth day by day by day to be more susceptible to his will and in doing so he is able to cause greater damage than that which has already started. Be prepared

Son Jesus the Christ.

There will be little time to repent and turn your lives around. Say to the children Wake up, wake up now, obey God. The day is coming when each will see the state of their soul. This will be a time of agony for those who choose darkness. They will see how many extra wounds they have added to the Body of My Most Adored Son Jesus the Christ. How they have harmed even more His Most Precious Body. Many will not be able to understand why they are the way they are because they have not allowed in the light. They will not be able to withstand the truth about how bad their souls are. Repent now, do not wait for the warning. Prepare yourself now. Turn away from sin, live a life that is pleasing to God.

Our Eternal Father in Heaven will assist all those who come to Him with a contrite heart. He will forgive those who go to confession and who are truly sorry for their sins and who do their penance. He is a loving forgiving God but you must also help. You must repent. Obey Our Lord's commandments. Examine your conscience and live in God's light and love. Stay close to the Most Sacred Heart of My Adored Son, Jesus the Christ. Be honest and do not make excuses for the way you live. Change the way you are. Choose the path that leads to heaven.

It is time to be down on your knees and return to the Eternal Father. Place your will aside and more completely live the mission you were sent to do. Be assured that the hours of the day are shortening. Know that the hour of warning is about to strike. Know that the time of warning will come and it will go and a simplified world is on the horizon. Understanding will be made simple for those that have so willingly turned against the Creator, Our Eternal Father. Be prepared for as day turns into night the warning will turn into a time of great darkness for man. You do not know the hour or the day when Our Eternal Father will send His Son again to shine into the souls of mankind. Be at peace for now for My Adored Son, Jesus the Christ WAS, IS AND IS TO COME.

I ask you to take heed, urgent heed of this message. Use the pro-

tection that God has given you. Pray more. The time is coming when you will see your soul. Allow your soul to be in the state of grace. Live each day for My Adored Son, Jesus the Christ and open your heart to His love and to His mercy and you will have peace and you will go through the trials and the storms in His light. Abandon yourself to the Eternal Father and He will guide you on this earth. He will be your assistance. Pray every day and cleanse your soul. Convert, convert others. Make others abandon the evil ways. Do not wait for tomorrow. Each day is an opportunity to move closer to God and each day brings you closer to God and to His judgement.

#### **4<sup>th</sup> August, 2004**

The arm of the Eternal Father falls faster, ever faster towards the earth and in it He holds His chastisement. For those without belief all shall seem to be nothing but death, destruction and despair but for those in the light it will be rebirth. It is soon to begin and you will know by the sign in the East that it has begun.

#### **Wednesday 4<sup>th</sup> August, 2004**

Now is the moment for the Eternal Father to remove the impurities of this world that have been placed by satan's smoke. It is time for Him to purify humanity and cleanse the earth forever. Our Eternal Father is patient and loving and for centuries upon centuries He has given warning, He has allowed Me to give you the messages of hope and of love but understand this God the Father Almighty must act upon His word. The hour is upon you those who ignore His word will be lost forever. Those who turn a deaf ear to His word will be lost forever. Those who choose not to act upon the messages He allows Me to give you and to all the signs that are given to them will be lost forever. You have been warned. Punishment should not come as a surprise.

Read the Book of Amos Chapter 3:7 and know that the prophets were right they were given their messages by God, He who knows everything. The great battle between God and satan will begin in

#### **9<sup>th</sup> February 2005**

I ask you to believe in God's mercy and love and extend it to others. Believe in God's power to heal the earth and believe that healing can take place when you pray. Pray with each other and always keep the door open for prayer. My Adored Son, Jesus, The Christ will warm the hearts of those who pray and they will receive great peace. Use the skills which have given to you by Almighty God and always give Him praise and glory. The Father's love for His children will never end so take the blessing He gives with gratitude and accept His Holy Will. God bestows His gifts upon you and the joy which they give passes all understanding. His greatest gift is the knowledge of The Christ and once accepted it can not be removed from your heart.

Accept the mercy which overflows from the heart of the Eternal Father. Accept His mercy and His love and also the messages He gives to you and remain obedient to His Will. Always be attentive to the messages He gives to you and allow your heart to be open in order to receive all that I am allowed to give to you. Your prayers are greatly appreciated and they will help to save souls. Unite your prayers with mine and know that the tears of compassion which you shed will help to save souls. The quality of compassion is noticed and I unite my tears with yours for the salvation of many. The time has arrived when I must give you warning. I have hoped that this time would not occur but sin is so prevalent and such darkness abounds that warnings must be given in order for those with the knowledge may act upon those warnings. Pray and repent for those who do so now will be blessed and those who do not wish to believe and prepare will find endless pain in the depths of hell. Try to help to save as many souls as you are able for if my children reject the truth then they can never find peace.

In this time of darkness the Truth of My Adored Son, Jesus, The Christ is the light that shall illuminate the world. His mercy will be the salvation of many and His words must be heard. Share His

19<sup>th</sup> January 2005

I warn you in your haste to do the Eternal Father's will, always be cautious. Follow Him rather than rush ahead blindly. My Adored Son waits and wants to lead the way so follow Him in faith. Be humble and follow Almighty God's Divine Will and allow His Divine plan for you to unfold in its proper order. You need not question the Eternal Father's love for you. He has shown His love on the cross and in His mercy and forgiveness. Remember always He offered His forgiveness during His sacrifice. "Father forgive them for they know not what they do." Do not abandon the crosses which you bear for you do give much to others by bearing them. By the bearing of your burden you become a shining example of trust and faith. A true disciple of my Adored Son will ask for more rather than lessen the effect of their offering which they have already given. Allow your soul to grow with your suffering and join your cross with the cross on the hill and your soul shall remain in the protection of the Holy Trinity forever.

Let all my children everywhere in the World know that I speak with sorrow for I know the future trials for the world. I again beg you to pray with renewed hope and passion and be an example of hope by your actions and acceptance of whatever occurs in your lives and around you. Our Eternal Father pours out a gift of compassion upon the world. Even as the world grows cold and Satan gains victories you can pray for the mitigation of events and that Satan's plans to destroy be defeated. Keep your focus on the face of my Adored Son. Keep in your heart and your prayers and your mind all who are suffering.

Many in this world see just a world of many choices from which to choose. But truly there are only two choices. You can either choose the truth or the untruth. The truth is not without suffering but the joys that it will give are endless. The untruth may seem to be joyful but all that it holds is transitory. Our Eternal Father does not ask for you to do without completely but He does ask you, who are able, to bear your cross for those who will not.

earnest and will continue until the world is cleansed and purified and every soul called to account.

Know that after the battle, God the Father Almighty whose only Begotten Son, My Adored Son Jesus the Christ, and the Holy Spirit will reign in the hearts of those that remain. The Eternal Father's glorious peace will reign, there will be a new heaven and a new earth for the stain of sin will be removed and His love will fill the hearts of all men. God and man and the earth will live in harmony. There will be no more tears and man will receive the rewards that await him in eternity. Understand the hour is here. The thief will come in the dark, he is cruel, he is uncaring, he has waited for this moment through the centuries and all is now ready for the battle. Be prepared for all will be as the Eternal Father has promised. Prepare your soul, look into your conscience. Do not sleep for the time of sleeping is passed. Be awake.

Know that the great sign is to come and that sign will rise out of the east, when you see that sign you will know that the battle is on. I tell you Our Eternal Father will not rest; He will not give in until He comes in glorious splendour to the rescue of His faithful children. He has prepared many around the world to show those who do not know what to do, how to prepare. They will help those who have been blind to the signs. They will do as He asks and will not rest until the earth sees the mercy and justice of the Eternal Father. Turn away from sin, be prepared, change your ways, live the life Your Eternal Father wants for you. Come into the light, feel the warmth of My Adored Son, Jesus the Christ. Know the love shown to you through His suffering and sacrifice. Spend time with Him in order to prepare.

You know that the world has become darker and more evil. Danger is everywhere. Stay united and close to Me. Come under the protection of My Mantle. Seek refuge in My Immaculate Heart and especially My Adored Son's most Sacred Heart. Pray to the Eternal Father with Me. I am your Mother; the need to protect you is great. Remove your fear, the Father's plan is under way this very day. Soon His love and His mercy will prevail on all the world. He

pours His mercy upon you. Live the will of the Father. Give Him praise and thanksgiving. Pray for others and for their salvation. Be selfless, be humble, be as the Eternal Father wants you to be, instruments of love and of His light.

I belong to you. You belong to Me. We belong each to the other. How much joy I feel when I hold you in the folds of My Mantle. Share the love of the Eternal Father, be one in the love for My Adored Son, Jesus the Christ. Through your love give service to the Eternal Father. Show gratitude for all the gifts He gives to you. Allow His graces to fill you and grow in the knowledge of the truth. With the truth comes the light and the light will forever vanquish the darkness.

I tell you, you must pray in order to survive. Prayers from the heart are heard. Pray for guidance and for the wisdom to understand the teaching of My Adored Son given to you through the grace of the Father. Listen to the voice of the Eternal Father. Keep your hearts open to His love. Know He loves you and wants only your happiness, wants only for you to be with Him eternally. To return to Him and to the Eden He created for you. Repent now; repent of your sinful ways. Turn your back on pride, bath in the ocean of mercy that is the heart of the Eternal Father. Return to His love. Be prepared. Do not be caught unaware for He is coming and all shall be made new.

The Eternal Father speaks to you through Me. By His grace I am allowed to convey His wishes to you. All you are, all you have been, all that you will be comes from God the Father Almighty. Spend time with Him. Know His Son. Do not turn away from Him. The hour of your greatest need is upon you. Your actions will dictate your eternity. Know this simple truth, God the Eternal Father will make everything new. He will defeat satan. He is coming and you must be prepared for the moment of judgement will be upon you sooner than you think. Cleanse your soul. Prepare now. I have told you to be prepared many times, take heed I implore you accept His warning which is given to you by His unending love for you. I, your Mother, await you. I await your loving embrace.

and your love for the sufferings of others and also for their conversion and salvation. life. Ask for strength to overcome your fears and your weaknesses. Offer your burdens to my Adored Son. These are momentous times for all of my children. Trust in God and in His Holy Will and in the truth and love and compassion of the Resurrected Christ. Serve Him and love Him as much as He loves you.

I ask you again share what I have to say with you with others. Every soul can be cleansed and every soul can be fed for then they are clean and fed they grow and your spirituality increases. Examine always the contents of your conscience. Truly look at your life and how you are living it. Avoid the occasion of sin, repent now and perform penance for the sins you have committed. Always ask God for help and strength in the areas where you are weak and with God's help you will live a truly holy life. Live according to His plan and take the direction He asks of you. Serve Him every day in love and in peace. Let every day be a true prayer to Him and welcome each day with Almighty God's name on your lips.

Begin each day by making quiet time to be with God the Father. Take quiet time so your focus is entirely on Him. Do not allow the world to distract you with its hustle and its noise. Kneel before my Adored Son in the Blessed Sacrament of the Tabernacle and listen in silence to the words which He will give you. His love and truth will give you peace as you kneel before Him. Open your heart and receive His love and grace. With His love you truly will become an instrument of the Christ and pass His love from yourself to all who you meet.

Pray for the conversion of the lost children of this world for so many live in the darkness of satan's world. They are on the wrong path and your prayers are needed to guide them back to the narrow path which leads to The Father. I truly intercede for my loving children but your prayers must come from your heart. They must be selfless, they must be sincere and they must come often. Those who pray and adore my Son and trust in His truth and His love and His mercy will be filled with the Holy Spirit.

onto the past. True peace comes from receiving the gift of forgiveness and love. Open your heart and let go of all pain. Forgive that which is in you that you think is not pleasing to Almighty God for He knows your failings and He will help you to heal them.

Always act out of compassion. Remember that the Christ came to save you. He came to save your eternal soul. He came and lived with you to show you the truth and the way and the light. He came so that your lives would be enriched. He took upon Himself human form. I carried Him within my womb. He was divine but He was also human, so He does know your pain. He does know suffering and the suffering which you experience, He experiences also. Remember He came so that you may have life. Turn back to Him. He wants your days to be filled with joy and excitement, with love and with wisdom. All these things He offers you and all come from the knowledge His truth. Through your acceptance of the Truth and your commitment to the Truth you will live a full and rewarding life and assure your soul of eternal salvation and happiness. The Eternal Father showers His children with many, many gifts and great benefits are derived from these gifts which are given freely and from love. The depth of His true love and mercy will be found in Matthew 5 1:12.

The truth and the light of my Adored Son, Jesus, the Christ will mould and change you. Through His Truth you become a vessel of truth and of light, a witness to His love and His mercy and a witness to His resurrection. In the coming difficult days, Satan will try hard to win over the hearts and minds of my children. Do not listen, do not be fooled. This is the way to hell, and in hell you shall be a slave of his forever, but your slavery will begin before you see hell. I know you have heard this before but now you understand those who bear their crosses and suffer do so for the sake of God's glory. Those who oppose Satan are made to suffer by him but Almighty God's compassionate eyes see their suffering and He does ease that pain. Remember always that God is your purpose in life and that understanding will give you strength. Offer your prayers

It continues to sadden that my messages are not listened to, that my desires for all of you have not been fulfilled. So many have only read my messages and then put them away. They have not begun yet to live these messages and I ask you live the gospel, live the expression of Divine Love that is given to you through the truth of My Adored Son, Jesus the Christ. Pray for My Consecrated Sons; pray especially for those in distress and in trial. Know My Consecrated Sons that you can take refuge in My Immaculate Heart, My Mantle will protect you. Do not worry yourself about difficulties and doubts and opposition. Winds and storms shall carry you away but I, Your Mother, will always be with you.

As I have warned you be aware of the men of science. Be especially aware of the men of theology as a science for they spread a merely human theology. Many find themselves in a crisis of faith. They affect so many of My Consecrated Sons and they cause errors through their human frailty. They develop a false philosophy; they believe everything has a rational explanation. Do not believe them when they say miraculous intervention does not occur. Do not believe them when they say the angels do not exist for in the same breath they say the evil one, satan, the enemy also does not exist. This is satan's greatest weapon, errors made in human theology.

**7<sup>th</sup> August, 2004**

I say to you that sometimes there are more questions than answers in the mind of man, but all questions are answered by the will of God. The Father allows Me to give you my messages. It is up to you to act upon them when I no longer come to you will you feel lonely will you be afraid? As long as you remember what you have been taught you will never be alone, fear will be a thing of the past. Love will reign in your heart and it is the unending love of the Eternal Father that will be there. It requires nothing except to be given. Give His love as He gives His love to you. Pour it out upon the people; let them know His love through your love.

Let them know My Adored Son, Jesus the Christ not only by being a witness to His truth and His light but by living in His image. Seek to be like Him as I wish all of my children to be.

Each in turn is given that which they ask for. Some ask for much, others for little, many ask only for themselves. God's graces fall upon those that ask not for themselves but for others. Do not be self-serving, do not be self-seeking, do not be selfish. Share that which you have and all that you have but most especially share that of you which is the love of God for all that you are, all that you were, all that you will be comes about through the Will of God. You are from Him and to Him you will return. Will you be prepared? Will your conscience be clear? Will love reign in your heart? Will the fellowship towards your brothers and sisters be consistent with the Will of God? Will you give to them as much as He gives to you? For you shall be known by this trait. They that give the most will gain the most, each to their measure. Love all, share that love with all for the greatest thing the Eternal Father gives you is Love. That is why He sent His only begotten Son. That is why He gave Me that Son to be My Son, My Adored One. I gave Him My love and that love was given to Me by the Father and all the love He received He showed to you and allowed to be spilled on the earth in His great sacrifice all for you.

When it comes your time do not fear to come before The Father. Be in a state of grace and be prepared for that meeting but even so you will forget some of your sins, do not worry for God's mercy is great. His justice is fair. Your punishment will be in accordance only with the greatness of the sin that has not been forgiven. By your suffering you will be cleansed and made pure and live eternally in the light and life and presence of the Godhead. Do not fear. Our Eternal Father loves all of His children and would wish that all would join Him even though He knows that this will not happen for sadly so many deny Him, so many choose sin, so many ignore My Adored Son, Jesus the Christ, God become Man. They smite God when they do that, they increase the pain of the Christ and they commit themselves to Hell through their unwillingness to accept the love of the message, the light of the truth, the message

31<sup>st</sup> December 2004

The reality is that sin is an abomination in the sight of God and as a consequence destroys the things of God. You also have to know that the one behind every sin is Satan. He is the one behind every death, every disaster, and every disruption of nature. Satan is the one behind every sickness and disaster that happens. He brings about all this carnage in order that you blame the Eternal Father for these deaths so he can win you over to his side. Do not be fooled by the father of lies and do not remain in his hold. Pray and seek the protection of The Father. He will protect you if you ask for His help. He does love you and offers you peace and protection. The need now is very great for already the end is beginning. As sin increases so will the fruit of that sin. Everything can be lessened but will you listen to the way to safety. This year to come cities will burn and the land will be laid waste and still you will remain ignorant. Your pride and arrogance blind you to the truth which is presented. Winds will howl and fire shall come from above and rain upon you. The mountains will be a wall of flames and the lands will move and the ice will break apart and melt. Everything will change but who will listen. Who will warn the sinner that their time is almost over? For the justice of God is upon all of humanity. Your quest for answers is in vain for the answer can only be given to those who ask the correct question. The answer has existed since the beginning. Great political unrest will now occur in many nations and for various reasons but always the false god and messiah will be the basis of the cause. The fair election will not be won for he that could do some good is to be cut down. Civil unrest will lead to oppressive regimes taking advantage of the innocents. Freedom of many will be lost and many shall be killed at the hand of their own government for seeking freedom and change. Satan will fight to the end as his power wanes.

13<sup>th</sup> January 2005

The quality of mercy which our Father asks His children to show is simple. As He loves and forgives you, He calls upon you to love and forgive others. Love and forgive yourself as well. Do not hold

is the truth, the truth is love and that love is light.

### **8<sup>th</sup> August, 2004**

*(Our Lady thanks you for Her being invited here tonight yet again.)*  
Much I have said and much more I could say but any words that I impart to you all lead to one fact. Your faith should be simple. It should consist of trust and acceptance of the Divine Will of God the Father Almighty. Cleanse yourself and prepare to be with Him. Accept His unending love. Accept the truth and the light given by My Adored Son. Protect yourself in His Sacred Heart and come under the cloak of My Immaculate Conception. Trust and support my faithful consecrated Sons. Pray for them as they pray for you. Pray that they can be strong in the face of the trials and the adversities that they face. Pray they are not corrupted by the world and by frailties which humans are prone to. Spend time with My Adored Son in the Most Blessed Eucharist. He awaits you. He awaits your conversation. Show Him the love that He has shown to you.

### **Friday, 13<sup>th</sup> August, 2004**

You are never alone but always let me lead you. Together we will walk hand in hand. Accept God's grace and help. Allow God to heal you, make you well cleanse you. All he asks is for your love and for your acceptance, your understanding of His Will. Accept His Will and His goodness. Take time to pray. Find peace and happiness when love fills your hearts and let go of all that troubles you.

### **Sunday, 15<sup>th</sup> August, 2004**

I have said to you before that prayer from the heart is heard by the Eternal Father. At this moment very few prayers reach Him. This is not because He does not listen; it is because the nature of the prayer is infrequent and often not sincere. Prayer from the heart is heard, prayer for gain or materialism, for personal gain, is not the

prayer that is pleasing to the Eternal Father. Eternal gain is the gain of the soul. Material assets will not cleanse you. Only through living as Christ can you become prepared for Eternity. Be prepared, I ask you, to spend time with My Adored Son Jesus the Christ. I ask you to pray earnestly, to receive the Sacraments, to read scripture, to live a wholesome, willingly holy life. Prepare your soul now. I, your Mother, await you with open arms as does My Adored Son, as does The Eternal Father. We seek only your happiness through salvation. Stay within the light of the truth of Jesus the Christ.

**16<sup>th</sup> August 2004**

I say to you that the words I am allowed to give to you by the Grace of the Eternal Father will never be fully accepted by some. Others will try to completely dismiss them or minimise them. Others will try to interpret them or dissect them. I tell you that you are being shown the truth and this truth you will carry and it will carry you into the waiting arms of the loving Eternal father. I tell you that whatever burdens you now have will be lifted and you will find peace and harmony and fulfilment. Live the messages and accept the Holy Will of God with trust and patient prayer.

Be careful at this time. You must never let go of Hope. In spite of all adversity and opposition, hope, will be the grace to keep the light in the darkness. Remain simple in your faith, with pure love in your heart. Be selfless and constant in your prayer. Let your prayers be for the release of souls in Purgatory and the conversion of all. Give thanks for all that you already have and be content. Never lose your humility and desire to give service to The Father, Through The Son and with The Holy Spirit.

I ask you to be an example to those who are choosing darkness. Persevere as a child with a simple and uncomplicated faith. Trust in God The Father Almighty. Have the courage to be a light to this world. Be the reflected light of the truth of My Adored Son, Jesus, The Christ. Banish your fears for fear does not come from God.

sessions.

Do not have concerns about material matters for in the end worry will not amount to a single second extra in the life given to you. It will not give you one spoonful of extra food on your plate. All worry will do is drive you from The eternal Father and remove your peace and future joy.

Those who accept the will of God are the lights sent into the world to shatter the darkness. Through them God's Will shall be seen and done. Let God's peace be with you let the light of the truth of God's Son within you be blinding. Let it to penetrate and clear the dark emptiness of satan's realm. Let the flame of the Holy Spirit find a home in all who remove satan and his evil. Let peace and true brotherhood reign in a once divided world. Return to the understanding of the true importance of God and His Fatherly love. All this is God's will for His children but you must willingly accept it.

Pray with all your heart, with faith and with selfless desire for the time to come when you can live in God's reborn, perfect world. Persevere, for your prayers do make a difference. Already much has been mitigated by sincere prayer. Much, however, is left to be undone.

**23<sup>rd</sup> December 2004**

Through Prayer and repentance your world can change. You must begin and obey Almighty God's commandments so that evil may be completely defeated. Almighty God is merciful so please accept His freely given love and mercy and be a true apostle in this time by showing your acceptance and obedience to His plan. Read Holy Scripture, pray and live these messages which God has allowed in this time of grace. The grace of time can not last for much longer so please return to The Father and respond to His mercy and compassion. Let all my children know that I speak with great sorrow for I have been shown the future trials set for the world. Prayer can lessen the effect of that which will happen and I again beg you to pray, pray with renewed hope and be an example of hope by your actions and by your acceptance of that which is God's Holy Will.

**8<sup>th</sup> November 2004**

Allow my Immaculate heart to guide you as you surrender to the Holy will of the Eternal father. I ask you to become as one with My Adored Jesus for understanding will come within this unity born of love and faith. Watch and bear witness to the beginning of Almighty God's great hour of glory and outpouring of divine mercy. His Grace will flow as a river from the endless spring of His love and compassion. Take strength and courage from the truth which is given to you through the Holy Scriptures and through the reception of the Sacraments. Kneel and pray often in front of the Tabernacle of the Christ for it is there where He awaits you. Live and show God's truth and light to all whom you meet and let the world catch aflame with the fire of the Holy Spirit. Always serve Him in peace and with humility and with joy and with praise.

**10<sup>th</sup> November 2004**

God is found in peace for only in peace can His words be heard by you. Only in the darkness can you see His light. If you have felt lonely today imagine how lonely life would be without God's presence within you. You would be as a piece of driftwood upon the sea. You would be subject to the waves and currents of your own actions alone. You would have no order or true direction. The Holy Spirit is your sail which gives form to your ability to move and The Christ provide you with steerage and Almighty God is the wind which gives force to your journey and allows all to take purposeful form. The drift wood becomes a ship heading to port. Such is life with God at the centre.

**11<sup>th</sup> November 2004**

Do not allow fear into your life to disturb your oneness with God. Patient determination achieves all things but remember that all things are temporary except for unchanging God Almighty. Remember always that whoever enjoys life with God is poor in nothing. God alone meets your needs for life is more than assets and pos-

The Eternal Father is unending love and fearless truth. Always seek comfort and protection in My Immaculate Heart and the most Sacred Heart of My Adored Son. He is your strength and your shield and your witness. The truth and light of His word will protect you even unto mortal death. Do not waste your time with trivial concerns and enmity for the time allotted is scarce and the need is great. Carry out the work of the Eternal Father and live the reward of faithful service.

It is time for deep, sincere, heartfelt prayer. Give praise and thanks to God the Father Almighty. Allow the Eternal Fathers unending love to live within your heart. Let your will become one with His. Open your eyes and your heart as the abundant graces are being poured out for you as you wait for the return of The Lord, My Adored Son, Jesus, The Christ.

Do not doubt me. All I have said to you is the Truth, given by the Eternal Fathers Grace and by His promise all will come to pass as has been instructed. You possess the truth and the truth sets you free of the bonds of the darkness of satan. Do not fear satan's evil for deceptive fear is his great weapon. You can defeat him with prayer and witness and example. Prayer is the key. Accept your cross and offer your agony for the glory of God and the conversion of all blinded souls.

**17<sup>th</sup> August, 2004**

Soon, very soon, evil will no longer exist and satan's followers will perish. Pray that all those who are under the control of satan will be freed by their repentance and request of God's Mercy. The endless ocean of God's Mercy will soon pour upon the earth. There will be a new time of love where evil is extinct. Understand that you will be the recipients of this new heaven and earth because as God has promised such, He shall fulfil His promise.

Submit to the Holy Will of God and trust His great love and also His great mercy. Celebrate and praise His enormous and unending love. Be totally at peace knowing and trusting that the power of God shall come down upon the evil one and he shall be no more.

I tell you, you carry the truth and the light of the truth in your heart. Your souls have received and will receive much grace. You have the protection of The Christ's Most Sacred Heart and My Immaculate Heart and the mantle of My protection.

My Adored Son Jesus the Christ has placed His light in your heart and you carry it in the darkness. This light will attract those who turn away from the evil one and seek salvation. They will search for peace and forgiveness and you who bear the light will be their guides.

The Holy Spirit is your help. Instruct souls in the truth and The Holy Spirit will avail Himself to them. Do not be discouraged when some say that they do not believe. Always speak the truth and remain simple in your faith and act always with humility. Accept that which is asked of you and joyfully and lovingly respond. Always offer childlike love and praise and gratitude to the Eternal Father. Almighty and Merciful God will respond to your love with love and mercy.

### **18<sup>th</sup> August 2004**

Go to the Eternal Father with all your fears, worries and doubts and be filled with His peace. He will never leave nor forsake you. He will answer your sincere prayers and grant your petitions, which I place in His Loving hands, at the time he has appointed. Pray for God's love to fill the hearts of all. Prepare your soul and help others to prepare their souls as well. There is great need for spiritual preparation. Pray for my most adored, consecrated son John Paul for the keys are soon to pass from him. Pray most solemnly for the bride of My Adored Son, Jesus the Christ, for the trials it faces are many and the darkness of the evil one is overwhelming it.

### **19<sup>th</sup> August 2004**

Do not give in to the call of satan and become disheartened. Always pray with faith. Ask the Eternal Father for the graces you need to overcome the power of evil, the call of temptation and

fall in the darkness. Reveal His love and compassion and mercy with all whom you meet. Allow His guiding light to shine through you as a beacon to show the direction of His Will. Trust in His Holy Will for you when He calls you to be a True disciple for Him.

A true disciple does not compromise with the world because of group pressure. A true disciple has knowledge of right from wrong and good from evil and no amount of intimidation can change that knowledge. A true disciple uses their knowledge and skills to make the Gospel known and to show mercy and love to all. They are called to bathe the world in the light of the Truth Of my Adored Son. All are called to live a holy life and to live by God's unchangeable commandments. In humility and with prayerful and praise filled hearts they obey God and accept His Holy Will. Let His love live within you for evermore and give Him all thanks and praise.

I ask all to respond to the call of My adored Son Jesus The Christ, now, while there is still time. I tell you that your realities of possessions and status will mean even less than they truly are soon. They will be as chains around you which bind you to one spot and stop you moving forward to the truth. Our Lord will break those bonds if you call upon His Holy name in sincerity and love. He will be your protection and your shelter for the time of tribulation. Do not listen to the deceptions and illusions of satan for he will soon present as one who can ease your pain and remove your hardships, cure all disease and unite the world into one people. He will promise all these things if you follow him and give him power to do so and give him praise and worship. All you will have to do is let him take control and allow his subtle changes to the real perceptions of right and wrong. You have long been warned of his rise so now is the time to place your trust in the hands of The Christ, Son of God and God the Son as you have been told. He alone will carry you through the earth's purification. He will not promise an easy life filled with pleasure and leisure and self centred gain. He will offer only love and peace and a future in His presence and magnificent mercy and

Your rewards will be in heaven for your humble acts and caring.

### **8<sup>th</sup> September 2004**

Our lady thanks you for invitation to join with you tonight.

Many of you know the truth but do not accept it because by accepting the truth you will have to change your lives. The truth of My Adored Son Jesus, The Christ does require you to change your life to live the truth accordingly. I tell you now, God will keep His promise and the world will be purified. Prepare your soul now while there is time. Read Holy Scripture, spend time with My Adored Son in the Eucharist and prepare your soul with good confession and daily penance. Never forget the love The Eternal Father gives to you, freely and which you hold in your hearts and pass on to others. Know the love I also have for you. Never forget that when times are dark the lightness of My Adored Son will shine through you. It will be a beacon which will light the narrow path to Heaven. Choose the rocky, narrow path and not the broad highway to hell.

**8<sup>th</sup> October, 2004** I thank you all for inviting again tonight. I pray that peace and love of My Adored Son Jesus the Christ is with you now and at all times. I ask nothing in return except for your faithfulness to Almighty God the Father. Know that the burdens you bear are borne with the grace of God. He is your strength; He is your purpose. Accept His Will and allow Him to guide you on the path to His endless love and light. All of you are called to be in the presence of God yet so few answer the call. This causes Me great sorrow for I dearly long for all of my children to eternally reside with God the Father Almighty and Our Son and with Me as well. I ask you to take My hand and together we shall go to the Eternal Father through the peace and love and understanding that comes from the knowledge and the acceptance of the truth of Jesus, My Holy Son.

### **27<sup>th</sup> October 2004**

Almighty God will always protect, love and guide you, so remain faithful to Him. Without His light as a guide you all will stumble and

strive to be perfect as He is perfect. Obey His Word and keep all of His commandments, live in His love and He will bless and keep you safe for all time. In humility accept the word of God and reflect that word in your life. Do not allow the evil one to mislead and steal your peace. Be grateful to the Lord, God in all circumstances and for all things. Always serve and obey Him with love and His abundant blessings will be upon you.

Almighty God, your Eternal Father loves you and He desires that you respond to His love and be vessels of His love and light to the world. Do not be disheartened when others scorn and mock you for carrying out the Will of God. Offer your pain and suffering into the open hands of The Father and He will give you comfort and peace. Do not feel abandoned for Almighty God never leaves you. It is your free will which has shut Him out and also it is your free will which controls His return into your life. Allow His love and care and concern for you to return to your life; accept His graces.

Trust the Eternal Father with all your hearts and never forget that which He has done for you. Open your hearts to Him, let His endless love fill you. Forgive all who cause you harm, pray for your persecutors and you will live the truth and in the light of the truth of My Adored Son, Jesus the Christ. True peace comes from accepting the Will of the Father and guiding all who are in the darkness of satan into the light of God's grace and mercy.

### **August Novena Messages**

#### **21<sup>st</sup> August 2004 .**

As you pray I ask you to truly enter into my Immaculate Heart. There you will find comfort, protection and succour. I will give you strength to endure the trials of the coming time. Gain the protection of the most Sacred Heart of My Adored Son Jesus, The Christ. In the days ahead you will be the lights shining in the darkness. In those times remember my love; give thanks for My Adored Son Jesus' love and give praise and Glory for Almighty God's unending and glorious love. To understand the need for this

time read the first book of Peter, Chapter 4 verses 17 through to 19.

### **22nd August {Private message not to be disclosed}**

### **23<sup>rd</sup> August 2004**

I thank you again for your attendance here.

Prayer is your only weapon in the face of the storm and the storm is gathering. To understand the storm you need to read the scriptures. Read and understand what is written in Zephaniah 1 2:3. The Holy Scripture is not just a book of life but a living book and a book for living. Gain the wisdom contained in it and that wisdom will serve you well. It will help you to stand firm against the trials which are to come. These trials John wrote about in John 15 verse 19 to 27. Read the Gospels and bear witness to my Adored Son Jesus, The Christ. Our Lord blesses you for your presence here tonight. You honour me and in doing so you Honour Him.

### **24<sup>th</sup> August 2004**

Our Lady thanks you again for coming tonight.

Remember that everything can be mitigated by prayer. The greatest Mercy will be obtained through forgiveness. As the Eternal Father forgives you of your sins when you approach Him with a contrite heart and a true repentance; so must you forgive those who sin against you. Great mercy is obtained by forgiving those who do not ask for forgiveness, for in doing so you will be living as The Christ wishes you to live. Your redemption depends on that which you do on this earth, not only towards the Eternal Father, but also, to each other. Forgive as He forgives and remember that as you can forgive others learn to forgive yourself.

### **24<sup>th</sup> August 2004**

Remember always that I am your mother as well as the Mother of God. My Adored Son Jesus, The Christ gave me to you from the cross and in doing so He gave you to me. The Eternal Father has picked you for this moment in human history. Give praise and glory to the Eternal Father. Keep your days Holy. Join with all in prayer and Praise. Receive the love which Almighty God has for you. And

hatred of this world would not exist. That evil that roams through the earth would not exist. Wars would not exist. Killing, of all forms, would not exist. The innocents would be protected. All vile acts occur because true love does not exist. You have replaced love with a perverted love. Greed, selfishness, wanton behaviour and pride; these are the loves that rule the world today. When man turns against man and nation against nation love does not exist. When men, who know not God, use God as a reason and a purpose for their existence and cause others to do harm and spread hatred and violence love does not exist. My Adored Son asks you to love each other as He still does love you.

I ask you to willingly and joyfully be a witness to the love and mercy of The Eternal Father. Give Him thanks always, for all that you are and all that you shall be is from Him and by His Will. Do not reject the trials you come upon. Embrace them and let them bring you ever closer to God's Holy Will. Each trial brings you closer to full understanding of the love of My Adored Son, Jesus the Christ. He suffered for you even though He was innocent. Your sin placed Him on His cross and His Precious Blood flowed to cleanse you and He died to give you life and rebirth to lead you to The Eternal Father.

I tell you, you must trust in God's word and obey it at all times. Look to The Eternal Father who is the provider and He will supply all that you need. Pray with sincerity always. Give humble thanks and praise to God the Father Almighty and know the power of His love and the depth of His concern and compassion for all. Pray for the wisdom to recognize God's Will, enlightenment to separate what is right and what is wrong, strength to bear your crosses and grace to always be in the image of My Adored Son, Jesus the Christ.

Do not be proud or boastful or willing to make the good that you do or intend doing known to anyone. Be humble and let The Eternal Father, God Almighty alone know the good which you do. Do not seek for earthly rewards, allow your deeds to be performed simply out of love for Almighty God and for those whom you help.

Heavenly Father.

Most of you have come hear tonight to be with me because you have accepted The Holy Will of Almighty God. Those of you who have not, I beg of you, accept what He has to offer. Accept His Love and His Mercy, His guidance and commandments and also any burdens which He may ask you to bear.

Simply and humbly give praise and thanks to the Creator of all you have. He will never abandon you. Trust in God and accept, keep and safeguard His love and treasure it always.

### **28<sup>th</sup> August 2004**

I thank you for inviting me to be with you tonight.

Peace comes from the knowledge of the Truth of My Adored Son Jesus, The Christ. Spend time with Him in the most Blessed Eucharist and encourage others to do the same, with you. Join together in prayer and become close to His Most Sacred Heart. Be strengthened by His presence. Share in His Love and Mercy and give it as well for when you open your hearts to His unending love then you create a home for Him in which He can dwell and His light will shine through you. Be filled with his Holy love and compassion and be an example of Christ to others. He simply asks you to join Him and He awaits you.

### **29<sup>th</sup> August 2004**

Our Lady again thanks you for your presence here tonight. You have offered a consecration to My Adored Son's Most Sacred Heart. You have offered it with love, with trust and with faith and as such He accepts your expression of love and confidence in His truth. What is His truth? His truth is love. Love is your most mis-used word. It is the most noble expression you have and at the same time the most ignoble expression. If you have love, you have peace. My Adored Son, Jesus the Christ said to you Love the Lord thy God, love each other as I have loved you. If you keep these expressions of love you keep all of the Eternal Father's Commandments. The Christ did love you and He still does love you but love is missing in this world. If there were true love the

give the love you have for Him to Him and also to those you meet. You are showered with many Graces. Be prepared and act with complete faith and trust in God, The Father Almighty. Everything you need comes from Him and when you accept His graces you will grow in knowledge and wisdom and love.

I say again to you, always lift your voice in praise and in gratitude to the Eternal Father. Your sincerely given prayers do not go unnoticed. You hold the truth in your hearts and that truth is held there because of your trust. Share the Truth and trust with others. When love fills your heart you can do so much good. Always go with the blessing of The Father and The Son and The Holy Spirit.

The Eternal Father wishes you to live in peace and with happiness; however, so many of His children do not understand this. They seek, from selfishness, only that which will please them. That which they seek and gain is only temporary, it will not last, it will pass away. Greed and lust for power and possessions are not the way to please Almighty Lord God. Understand these things come from satan. They come from his lies and are born of his deceit. Turn away from him and his temptations for his time is short and soon his evil and his willing followers will be swept from our view and away to their deserved end. There will be a new Heaven and earth and Peace and Joy will be upon the earth forever for God's Holy Will shall be seen and known and done.

I ask you always to remain humble and maintain a simple faith. All honour and Glory should be given to Almighty God The Father. Your great achievements will lie in your simplicity and in your humility. Seek to be unknown and you will be close to God. You will live the truth of My Adored Son Jesus, The Christ.

I no longer have need for many words with you for you have been shown the truth and what must come. It has been burned into your heart and that truth is that God Almighty loves you, His only begotten Son, My adored Son loves you and the Holy Spirit fills you with his love for His love of you and I love you. Give to others what they do not have. When you see a lack of love, give love. Give knowledge where there is no understanding. Comfort pain and let a time of healing and growth and gratitude begin.

### **25<sup>th</sup> August 2004 (apparition)**

Our Lady thanks you again for being here.

By offering these nine days of prayer you give great honour to My Adored Son Jesus, The Christ. Let your prayers strengthen you. As always you act from faith and with trust. Your prayer increases your faith and trust and will instil the same in others. Always keep faith and trust and hope and with those graces you will progress and become one with The Eternal Father. Be alert to the graces which He pours upon you and embrace the love He gives to you and be strengthened by the truth of The Christ. It is always necessary to act with humility and show care and compassion for others for this is pleasing to Almighty God, The Father. Be at peace always and act with joy and happiness. Always give praise and thanksgiving to The Eternal Father for all He has given you and all which He is to give you.

### **26<sup>th</sup> August 2004**

Thank you all for asking me to be with you tonight.

The time of decision has arrived for you. The Eternal Father has given you a free will. Know that you are loved beyond words and that the choice to follow is not easy to make, but, you must soon make your life's decision. You are called to be an Apostle of the Truth of My Adored Son Jesus, The Christ. Know that the Apostles willingly surrendered everything when they became filled with The Holy Spirit. The Holy Spirit awaits your decision so He may come upon you. I ask you to see, know and act upon the Holy Will of Almighty God knowing that all that is coming will be the Glory of God. The cross you bear is a sign of Gods' great love for you and with His love and guiding hand you will not fail or fall. You will carry your burden forward until you offer it up to almighty God and gain your eternal reward.

### **26<sup>th</sup> August 2004**

I have asked for this Novena which you now offer to help and try to ease the serious dangers of this time. Know that you offer these prayers for the glory of God. Know that as you pray, the company of Heaven prays with you. Do not resist your trials. Accept that which has been offered to you. Accept the Grace of God

and trust in His Mercy. Trust also in The Most Sacred Heart of My Adored Son Jesus. Trust in My Immaculate Heart. Gods' blessing is upon you and I ask you to feel it and accept it. Feel the great love that He gives to you and to all His children.

Look deeply within your soul and maintain humility. Adhere to the Sacraments. Read Holy Scripture and be a light to others. This way I express my love for you and for all of my children. This love is given to you through the Grace of Almighty God, The Father. Remember that what God commands must be done and His promises must be fulfilled. Prepare your soul now. Those who are prepared will not suffer the agonies of those who willingly follow the enemy, satan.

There is much confusion in the minds of all. My words reach into and captivate people's souls but people are also captivated by worldly ways. Know that the messages I am allowed to give to you offer you an eternity filled with joy and the Glory of Almighty God the Father. The worldly temptations offer only temporary joy. They offer little by way of satisfaction and are not lasting. The joy which God has for all is eternal. Open yourselves to the Graces from God the Eternal Father. All He has to offer is sweet, everlasting love. The love I have for you is the love He has for you. It is the love He had for me. It is the love I gave to Our Son, The Christ. Accept that love and nurture it always.

When you make your decision then live as Christ would ask you to live. I am here to give you an awareness of the Truth of My Adored Jesus; however, you must willingly accept it. I can not interfere with your freewill and Almighty God; The Father will not curtail that freedom either. Ultimately and rightly the decision is yours.

### **27<sup>th</sup> August 2004**

Prayer is the most valuable commodity in your life and without it you will wander in the darkness. You will have no real faith, no real hope and no true direction. All that you will have will be the false security of material possessions and none of the security which comes from the knowledge and acceptance of The
