

*On the Feast of Our Lady of the Rosary on 7th October, 2006 we had three ladies come to Bethany on pilgrimage from Alice Springs and Darwin. Imelda, one of the ladies told us that their had been a big gathering in Alice Springs to mark the Anniversary of the Pope's visit their. She said that she was talking to the Bishop of Darwin, Bishop Ted Collins and he suggested that we bring Our Lady to Alice Springs as when we visited Darwin in May this area was overlooked. From here things happened quickly and it was decided that we would travel to Alice Springs and Santa Teresa leaving on 10th November and traveling home on the 13th November. We received the following message on the night before we left.*

*9<sup>th</sup> November 2006 (Night Prayer)*

*My children,*

*I ask you to tread carefully as you set off into the wilderness. Be respectful of the many traditions and customs of the people you meet. Be gentle and full of love. Stay humble of heart and be prepared to wait until you are invited to proceed. Do not feel frightened. Be steeped in your prayers and know that you go with the Heavenly protection you need. I want you to reach out with compassion to God's hurting people and bring them back into the light. Guide them back onto the narrow path. Be filled with the Spirit of God and let this spirit move within you. Listen to the gentle whisperings which guide you and give you the inspiration you need to know when you are required to step out and when it is necessary to stay background. You are not alone. Trust in God and be led through His Spirit which is poured down upon you. I remind you again to remain humble and allow all which is to happen to be done by your Heavenly Father through His Son Jesus in the grace of the Holy Spirit. Be a true example of Christ Jesus through the love and mercy you show. Do not be condescending but show genuine love to those in need. I will be with you on this journey you take into the desert. See the beauty which abounds both in nature and spiritually. Open your eyes up to the wonders of God. Let the desert experiences in your life be not one of aridness and disappointment but instead recognize that in your desert times when you feel abandoned and so alone you will receive many graces and will experience the most spiritual growth. Embrace this time and let God reveal to you more of the mysteries of the Kingdom of God. Learn more fully that your Heavenly Father is a God of wonder and awe. Be open to see the wonders He puts before you. Understand more fully His awesome presence and power. Be receptive to the many blessings He give you. Show gratitude and thanks for all you have been given and let the praise and glory always go to the rightful heir. Give thanks this night to your Eternal Father through His Son Jesus and receive the graces He gives you to step out and be His missionary servants of Divine love.*

*We left with a team of 3 men and 2 women at 11am on the 10th November and touched down in Alice Springs at 4.30pm. We all stayed at the presbytery in Alice Springs. We went straight from the airport to the church and arrived in time for 5pm Mass. After Mass we stayed and prayed with people. There we met a man in a wheelchair who had come straight from*

*the hospital. We prayed with him and on the Monday I was greeted after morning Mass with him standing at the back of the church. He was able to tell us that when he got back to the hospital he felt something warm go through him and was able to be discharged on the Sunday. What a joyous occasion. God is so wonderful. We went back to the presbytery and had some tea and then went out and knelt in the grotto between the church and the presbytery. Our Lady appeared and gave the following message.*

### **10<sup>th</sup> November 2006**

Again I guide my children to take the refuge offered in the Most Sacred Heart of my adored Son, Jesus. Rejoice in the fact that our Eternal Father loves you beyond your comprehension and in gratitude I ask you to turn away from sin and the distractions of the worldly pleasures. Repent and believe in the truth and light of the word and you will move forward with joy and peace in your hearts. Pay no attention to easy promises of satan's deceptions. Do not allow him to lead you away from the truth. Return to Almighty God and His Sacraments and become filled with the grace needed to live a humble and holy life of service to your brothers and sisters. Accept the will and love of our Father and believe in His love and mercy for all of His children. Trust and keep your hope alive and you will find the lighted path which will lead to eternal happiness in the embrace of our loving Heavenly Father.

10<sup>th</sup> November 2006 (Night Prayer Alice Springs)

My little ones, my faithful remnant,

I say to you tonight do not give into despair. Remain fervent in your faith. Your prayers will be answered. I want you to give to me many prayers and little acts of love to help in the redemptive work of your brothers and sisters. My heart aches for those within your communities who have distanced themselves from the love of their Heavenly Father and who have drifted far from the path which leads them to salvation. I want you to help guide them back onto the narrow path. Reach out with love and compassion and show them the love of Christ through your loving actions. Be patient and persistent in your prayers and firmly believe that your prayers will be answered. Nothing is impossible in the eyes of God. Trust in Him through the Divine Mercy of His Son Christ Jesus. The hearts of all must be purified and renewed. The old must die for the new to rise up. Let go of the past and allow God your loving Father to fill you with many graces and blessings through the Holy Spirit to help you to live this life anew. Do not be afraid to change and grow stronger in your faith. Pray for the help you need to be bold and courageous. It is important that you put on your armour of faith to protect you against all evil and the many distractions which take you away from the love of your Heavenly Father through Jesus His Son. Be courageous and steadfast. Cling to the hope of a new Heaven and a new earth. Be strengthened in your faith so that you have the courage you need to step out and be a disciple of Divine love. Bring many back onto the narrow path by the Christ-like love you show. Do not fear persecution. Pray for the protection you need to stand up and defend your faith. There is much work for you to do. Be disciplined in your prayers and receive my Son Jesus as often as you can to give you the nourishment and strength you need.

offences you have caused and seek to never re-offend in the same manner. I am here to lead and support my children, but they must also make the effort to build their faith and trust. Pray and receive strength to persevere and open yourselves to the gift of wisdom which comes upon you when you enter a state of grace. Almighty God can only come to those who are willingly repentant and receptive to the graces He offers. Seek to find His truth which was given and spoken by my Adored Son, Jesus. Read His truth in the Holy Scriptures and above all live His truth each day. By example you will be seen to be His disciple and one who will help others come to the light of His truth.

*After breakfast we headed to the airport. Even though we were in Alice Springs for such a short time we met such beautiful people and the experience will stay in our hearts. I have tried to not focus on any individuals and names for fear of leaving somebody out. I thank all who helped on this journey of love to central Australia. May God bless you all abundantly.*

*On the plane going home the following message was received.*

13<sup>th</sup> November 2006 (Plane from Alice Springs)

Thank you for the work you have done to further the Kingdom of God. I am with you as you travel home and I give to you many graces and blessings from your Eternal Father. There will be much work for you to do in the time to come so I remind you to stay steadfast in your prayers and self sacrifice to strengthen you for the time ahead. Do not fear this journey of Divine love into the unknown but know that you will have my protection wherever you go. It is important that you are obedient to your Heavenly Father through the Word made flesh. The Word is the way you need to live your life. Stay close and receive the nourishment which awaits you. Be guided always through the inspiration of the Holy Spirit. Stay patient and wait on the whisperings of the Word through the grace of the Holy Spirit. Learn more how to be selfless and giving and trust completely in God's plan for you. I will be your guiding star. Follow this way which will lead you to life eternal. Be nourished and strengthened before you step out again to do the missionary work of God's love.

Trust that He will hear your sincere prayer and look for His answer and guidance in all which come to you. His reply may not be notice unless you truly seek to see His influence in all which you do and see. Through your prayers many wrongs can be corrected and many trials may be lessened. Always lead those who come to you back to The Father through the truth of the Son in union with the gifts given from the Holy Spirit. Almighty God's graces fall upon all His children like the rain from the clouds and He makes all refreshed and new through His mercy compassion and love.

12<sup>th</sup> November 2006 (Night Prayer – Alice Springs)

My children

I thank you for your faithfulness by stepping out in faith and reaching out in love to my hurting people. I ask you to continue this work which is so desperately needed. I want you to encourage the people to come back onto the lighted path. The work is so plentiful but the labourers are few. Do not be afraid. Step out in faith and say yes to your Heavenly Father through Jesus His Son. Take up the challenge given to you to be missionary servants of God's love. There are many who regularly need to be nourished and strengthened to grow deeper in their spiritual life. Will you take up the challenge given to you tonight? Will you be the body of Christ reaching out with Christ-like love and compassion to the many who are so desperately in need of your help. I walk beside you to guide you in this work you do. Come close to me in prayer and know that I will give you the help you need. I know that the task seems daunting as there are so many that need to know that they are loved by their Heavenly Father through Jesus His Son. I want you to encourage the people to pray daily to be replenished with the gifts of the Holy Spirit to give them the courage they need to remain steadfast in their faith. I want all of God's children to embrace the gifts given to them by their Father through the suffering, death and resurrection of His Son Jesus. Embrace the graces given freely to you to help you to remain strong and committed in your faith. Never loose hope but know that you will be cared for. It is necessary for you to be purified from the ways of the world. Turn away from selfishness and pride and embrace true humility of heart. Do not fear the journey of becoming small in the eyes of your Lord and God. Understand more fully the necessity for you to have child-like trust in the Divine Will of your Father. Strip back the areas of self and learn how to trust in the Divine love of the Father through Jesus His Son and accept this love given to you through the Holy Spirit. Do not stay self sufficient and prideful but instead accept the need for you to change and grow more trusting in God's plan for you. Take this journey offered to you one moment at a time. Rest close to my Son Jesus and receive the many graces and blessings He longs to give you. Come close to my Immaculate Heart and let me guide you to the love given through the most Sacred Heart of Jesus and learn to live your life anew in the present moment with your Lord and God.

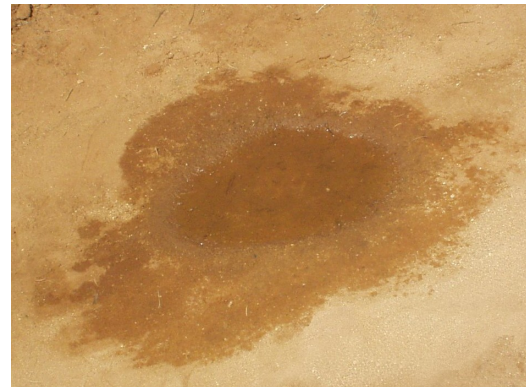

*After a good night's sleep we went to early morning Mass and the following message was given there.*

**13<sup>th</sup> November 2006**

Give guidance to my children so they may be well prepared for the tests and persecutions which will come upon them. Give the messages so my children can

I am with you and I will protect you beneath my Holy Mantle. Come close to me, my little ones, and allow me to guide and help you. Listen to my Motherly wisdom given to help you come back close to my Immaculate Heart and to my Son Jesus Most Sacred Heart. Trust in Him and His merciful love and know that through your prayers and acts of love you help in the triumph of the Immaculate Heart and the Sacred Heart of Jesus. Join the army of prayer warriors and be ready to defend your faith against the evil and despair that abounds in the world today. Your prayers are a powerful weapon which will destroy the rule of satan. Be bold and strong in your commitment to serve your Lord and God with faith, hope and above all love.

*On Saturday morning we went out to an aboriginal community called White Gate. Fr. John had already been there and set up a table and placed a cloth and candle on it. We placed the statue on the table and people came and gathered around. Many had been waiting since 5.30am. We talked with them and prayed a Peace Rosary. We prayed with each of those gathered and as we were driving out one of the group noticed a pool of water by the side of the road. They said they could see bubbles coming up and when we examined the pool more closely the water was very clear and very cold. We called over one of the elders and asked him whether this was here already as we had not noticed it when we drove in. He said it hadn't rained for 5 weeks and no it wasn't here yesterday. Since coming home we have learned it is still there and that they are going to build a shrine there. It was right below where the old church stood. As you can see by the picture it is in the shape of a heart.*

Picture of the pool of water that formed while we were at White Gate Aboriginal community.

*We drove back into Alice Springs and went to the church for Mass with Fr. Brian Healy the parish priest. Again we prayed with those present and then after having lunch we drove out to another Aboriginal community called Ngkarte Mikwekenhe Church. We put Our Lady on a table at the front of the church and then we prayed the rosary with all present and touched*

*them with the oil that exudes from the statue. A lot of these people had been waiting in the heat for a few hours. From here we got into a troop carrier and drove 70kms into the desert to the community of Santa Teresa. We were taken to the pilgrims hostel and after getting settled we headed off to the church for Mass. This is a very beautiful Spanish style church with the most beautiful murals on the walls and part of the roof. It depicts stories from the bible and was painted by a group of women under the direction of an artist. They had no experience in this style of work and would go to the prayer room they had set up before they started. Everything was researched very carefully and the work is a credit to them. The congregation was overflowing out into the front of the church. Fr. Peter who is the Parish priest had set up a table with a beautiful blue drape behind. The Mass and the singing was beautiful. After Mass Our Lady appeared and gave the following message.*

### **11<sup>th</sup> November 2006**

Share all of the love that is imbedded in your heart so more of your brothers and sisters may turn to our Eternal Father in this time of grace. I come to awaken my children to the reality of their errors which are not hidden from me, your mother or from my adored Son, Jesus or from our Father. Prayer is needed to help turn the tide against those who seek to oppress and persecute the faithful remnant, so please respond with sincere, earnest prayer. Pray and plead for God's mercy upon this darkened world. The forces of evil have poisoned many because they have neglected prayer and rejected God in favour of an easy and selfish life. Many are living in sin because they are refusing to look at their faults and feel the shame which they should for the offence which they cause. So many today deny that God exists. Return to the truth and light of the word or the path you, my children, are on, will only become darker if they choose to live in mortal sin. Trust and abandon yourselves to The Christ and be confident in His love for you. Love Him with your whole heart and allow Him to fill your life with joy

11<sup>th</sup> November 2006 (Night Prayer – Santa Theresa)

My children,

I thank you for your faithfulness in coming back to your home tonight. I ask you to be more fervent and persevering in your faith. Do not be casual and non-committal with your faith but understand the importance of including your Lord and God into every part of your life. I am your Mother of Grace and I here to guide and help you back onto the narrow path. Accept the graces I bring to you tonight from your Father in Heaven through Jesus His Son through the graces poured down by the Holy Spirit. Trust in me and my Motherly wisdom and come back to my Son Jesus and His most Sacred Heart. I see your burdens and difficulties and I ask you to turn more to your Heavenly family in prayer and ask for the help you need. Do not be prideful and arrogant and want to do all your own way. Come back and let Jesus be the way you lead your life. He is the only Way. He is your truth and He is

the life you need to lead. I ask you to take up the challenge given to you and pick up your cross and follow Him. Spend time each day with Him in quietness and prayer and find the rest you need close to His Most Sacred Heart. Let Him replenish you. He is the spring of salvation. He is your living water. Come close to Him and let Him give you the nourishment you need. I ask you to be bold and courageous in your faith. Turn away from the ways of the world and come and follow Jesus. He is your Prince of Peace, your Lord and Saviour. Be still and know that Jesus is with you.

*We went back to the hostel about 10.30pm with about 5 women from the community. Our Lady appeared outside the hostel on a large rock and gave a message of love and hope to the faithful remnant. Where she appeared was drops of perfumed oil.*

*The next morning we again went to the church for Mass and again it was packed and standing room only. We didn't put the statue out until after Mass as we felt that Our Lady never draws attention away from Her Son and we felt the focus should be on the Mass. After Mass we placed the statue on a table and then prayed a Rosary with all present and prayed and touched with "tears" those present. We then made our way up to where the spring is on a hill. The spring has been dry this year but Our Lady has said it will flow again but much prayer and sacrifice is needed for this blessing to again happen. We prayed a rosary here and then went back to the hostel for lunch and departed back to Alice after lunch.*

*We again went to the aboriginal community of Ngkarte Mikwekenhe Church and here was greeted by a large group of people. We went inside the church and prayed the rosary with all present and then again prayed with the people. After a couple of hours we went back to the church and rested before heading off to Cathy's place. Cathy was hosting us for the evening. She belongs to a prayer group and they were assembled. We had a beautiful meal and Our Lady appeared during 8pm prayers in the front yard of Cathy's house and gave the following message.*

### **12<sup>th</sup> November 2006**

I thank you for the love and faith you show for my Adored Son, Jesus. It is through your love and the fruit of that love, that many will find their way to salvation. By your example you will help to guide your brothers and sisters to the safety of the Most Sacred Heart of The Christ. I am your Mother and I weep to see so many of my children rejecting our Eternal Father and His never ending love and mercy. I ask you to return to His embrace by simply accepting His love and turning your lives away from the easy pleasures which are tempting so many at this time. Seek quiet time in which you can speak to our Father without distraction or interruption.
