

Journey of Trust
17th October to 23rd October, 2006

**For I know well the plans I have in mind for you,
says the Lord, plans for your welfare not your woe!
Plans to give you a future full of hope.**
Jeremiah 29:11

Our Lady asked identical twins, Eileen Giles and Patty Powell to step out boldly this year and travel. They had already journeyed to Northern Territory in May and to Victoria in August. They were given the dates that they were to travel to New South Wales as leaving on the 17th October. Before each trip they were given special prayers that they needed to say in the form of a Novena as preparation. The Efficacious Novena to the Sacred Heart was the prayer given to them for their trip to Sydney. On this journey they had to learn to trust completely and be guided by the Holy Spirit as to the places they were to visit, the home in which they were to stay and the gospel reading to follow for that journey and also what they were to speak about and what message they were to give. Our Lady has asked them not to run ahead of God's plan but to be patient and persevering and to trust. Below is the message given in preparation and also the gospel reading:-

26th September 2006 (Night Prayer)

My child,

It is important that you spend time each day in prayer and quietness. Do not become distracted by the ways of the world and forget about this special time each day you spend with your Heavenly family. I remind you to be disciplined with this request. Pray to be given the guidance if you are having difficulties and you will be given inspiration through the Holy Spirit as to how you can make the time available. Be prepared to forego some of your simple pleasures as a self sacrifice and realize that you choose the better path when you choose to honour your Lord and God by spending time with Him in prayer. This time you spend together alone with Jesus will help you to grow deeper in your spiritual journey. You will begin to notice that the peace of Christ Jesus will descend upon you and you will be more patient and persevering in all you do to further the kingdom of God. Remember that the work you undertake to do for your Lord and God must be always done with a gentle, humble heart. Spend time with Jesus and let Him reveal to you the areas in your life which need to change and grow. Open your eyes to His way. I remind you again that it is necessary that you are disciplined and committed to your prayer life before you step out to do the missionary work of God's love. It is most important that you do not rush ahead because of your impatience. Be still my child and let God's plan be revealed to you a little at a time. Remember that God's timing is always at the perfect time. Let go of the controls and trust. Pray to receive the gifts needed from the Holy Spirit to help you to be patient and persevering. You will know when God wants you to step up and reach out with Christ-like love to others. Discern the will of God. Take the time needed in preparation. Give to me many prayers and little acts of self denial. All these little acts of love and self sacrifice help you to become more disciplined and enable you to humble your heart and hand over all to your Heavenly Father. I am with you and I will help and guide you as you learn the ways of your Lord and Saviour. Be still and let Jesus reveal to you the mysteries of the kingdom of God.

Perfumed oil was left on the flowers and on the ground. After sharing together it was time to say our goodbyes to all their new found friends and go home to back in time for an early start to the Airport the next morning. They got up early for prayers and then Joe and Toni took us to the train station and they caught the train into Central and then out to the Airport. On the journey home while praying during the flight Jesus gave the following message:-

23rd October (afternoon prayer – flight home Jesus)

My children,

Look to Me as your Good Shepherd and let Me guide and help you on this journey you take. Do not be afraid to change and grow. Look how perfectly your Heavenly Father created nature. The oyster shell spends its life beneath the sea being nourished and strengthened until one day it is broken open and beneath its hard exterior the beauty of deep within is revealed – the pearl. I want you to break open the protective coating you have put on your exterior and reveal the vulnerable inner beauty which you hide within. This beautiful pearl represents also the tears of life. Never be afraid to shed tears. They are cleansing and will help you to heal from the hurts and wounds you carry. Open your heart and accept the abundant love I long to give you. Let Me fill you with the graces and blessings for you to start your life afresh. I will use you powerfully but first I want you to accept the need for you to be healed of the many hurts you hold onto. Let go of trying to keep everything in control and let Me shepherd you. I will send you the graces need to enable you to step out boldly in faith and begin to trust in My love and the plan that God has for you. Come close to Me and receive the nourishment I long to give you. I await your response to Me. Do not fear, just trust instead in My merciful love for you and know that it will flow out to the many that I in turn ask you to shepherd. I ask you this day feed my sheep and feed My lambs. Bring them back onto the narrow path which leads them to salvation by the Christ- like love you show to all of God's hurting people.

(Luke 10:1-12 Gospel reading from The Daily Missal on October 5th.)

The Lord appointed seventy-two others and sent them out ahead of him, in pairs, to all the towns and places he himself was to visit. He said to them, 'The harvest is rich but the labourers are few, so ask the Lord of the harvest to send labourers to his harvest. Start off now, but remember, I am sending you out like lambs among wolves. Carry no purse, no haversack, no sandals. Salute no one on the road. Whatever house you go into, let your first words be, "Peace to this house!" And if a man of peace lives there, your peace will go and rest on him; if not, it will come back to you. Stay in the same house, taking what food and drink they have to offer, for the labourer deserves his wages; do not move from house to house. Whenever you go into a town where they make you welcome, eat what is set before you. Cure those in it who are sick and say "The kingdom of God is very near to you." But whenever you enter a town and they do not make you welcome, go into its street and say, "We wipe off the very dust of your town that clings to our feet, and leave it with you. Yet be sure of this: the Kingdom of God is very near." I tell you, on that day it will not go as hard with Sodom as with that town.

They flew out of Perth at 12.15am on the 17th October and arrived in Sydney at 6am. They took the train from the airport to North Sydney. They felt called to begin their journey at the tomb of Blessed Mary McKillop in North Sydney. They walked with their suitcases from the station to Mount Street, the home of the Josephites (St. Joseph of the Sacred Heart) and the tomb of Blessed Mary McKillop. They arrived in time for 8am Mass at the church of St. Joseph, which houses the tomb of Blessed Mary McKillop. After Mass they checked in and were able to have a couple of hours sleep. At 11am they went and prayed at the tomb and also took the tour that explains about the story and life of Blessed Mary McKillop. The tour was fascinating and Patty discovered the same tabernacle that was given to them for the Holy Family House of Prayer. This is called a Viaticum Cabinet

They were struck by the words

longs to give you. Receive My Son Jesus in the Holy Sacrament of the Altar as often as you can. This is your bread of life, your cup of salvation. Allow Him to fill you to enable you to walk boldly in faith. Use the Sacraments to cleanse your soul. Do not be afraid to admit that you don't always get it right. Examine the areas of your life which need to change and grow. Let your Father in Heaven through Jesus' merciful love reveal to you the areas which need to change and grow. Do not fear the need for you to change and grow more childlike and trusting in this faith journey you take. You will be given many graces to help you to grow deeper in your love of your Eternal Father through Jesus His Son by the gifts and graces given through the Holy Spirit. I want you to be courageous in your faith. Do not be afraid to stand up for the truth. Really believe the way which leads you to life eternal deep within your heart. My Son Jesus is the only way. He is your truth; He is the life you need to lead. I am your Mother full of Grace. Let me lead you to this graces needed to begin to live your life anew. Embrace the graces given to you in the Holy Spirit and let the Holy Spirit of love flow out to all those who need to know the love of your Father through Jesus His Son in the Holy Spirit of love.

22nd October 2006

Many times I ask you to remain prepared and awake as those who do not remain observant and alert will be overtaken because of their lack of vigilance. Pray to gain the

understanding and strength which will carry you through the darkness and enable you keep watch. I am your Mother and your sister and in the same way our Father is the Son and the Son is your brother as well. All who are and have been and are to be, are children of the Almighty God who wills everything and therefore we are truly all brothers and sisters of each other. I will always bring you to the truth and mercy of my Adored Son, Jesus and His truth will set your hearts aflame and free your souls from the burden of sin. The beginning of the journey, however, is entirely a matter which you control and you must willingly turn to our Eternal Father and prepare your soul. Come to Him when you need comforting from all your hurts and protection from the affliction which torments you and He will heal you and renew your spirit. Show your love for the Father through your reception of The Christ's love which was poured out for all upon Calvary. Accept His sacrifice which was made for your salvation and willingly take up the cross you will be asked to carry and be prepared to sacrifice as He did, all for the love of Him and for your brothers and sisters.

Come and receive Him in humility and with a cleansed soul and a contrite heart and know He will refuse no one who sincerely requests His freely and universally offered forgiveness. Be obedient to our Father's commandments and never fail to give thanks and praise for all the wonders you are shown and the gifts which flow upon you.

Father Luke prayed with all gathered in prayer. This was a powerful experience for them all. They were then driven to some accommodation in Randwick as it was too late to travel the distance back to their host family. The next morning they all went to mass at "Our Lady of the Sacred Heart" in Randwick and on arriving at the church Eileen noticed the Parish Priest welcoming the parishioners. It was a priest Father John Rate who she had been with at Paris World Youth Day in 1997. They arranged to catch up after mass for a cuppa. God is truly amazing how He puts all the parts of the jigsaw puzzle together. The group then needed to catch a bus into Central and then a train to Parramatta where Kevin picked them up and drove them to the next house which belonged to Jim and Colleen. The group prayed together and shared fellowship and spoke also regarding their Faith journey. All there enjoyed a beautiful

lunch and then it was time again to be on the way to the next destination. This was the final group and was held at the host family Joe and Toni's house. There were many people there. The people all prayed the Divine Mercy chaplet and later a Peace Rosary. The last of the gifts were given out and those who wanted to were touched with the tears of Our Lady and a short prayer was said. The meeting finished at about 5.30 which gave a short time for a rest and a light dinner then they drove back to say night prayers with their faith friends the Michael's family. It was decided to say the prayers outside in front of a very big tree stump with beautiful lilies in front. Our Lady appeared and gave the following message:-

22nd October 2006 (Night Prayer – Michael family Moorebank)

My children

My faithful remnant from my homeland Lebanon; I thank you for your example shown of love of God and love of neighbour. You will be used powerfully as a bridge to mend the wounds which exist between nations. All it requires is your yes. I want you to continue to show others the way which leads to salvation. Reach out in love to many who are put in your path. Do not fear persecution. Be bold and accept the need to be a warrior for your faith. You will be given the strength needed to do this missionary work of God's love. Turn away from the ways of the world which lead you away from the bright shining beacon of light, your Lord and Saviour Christ Jesus. Do not fear to become small and background. In the eyes of your loving Father you will have greatness. Let God your Father strip back the layers of selfishness and pride to reveal a humble child within. Trust that this spiritual cleansing is the way will lead you to life eternal. Learn that you need to have true humility of heart. Put the love of your Lord and God first and receive the abundant blessings He longs to bestow upon all of His children. Accept the many graces He

At 1pm Kevin picked them up and drove Eileen and Patty to visit Fr. Luke Newington at the Franciscan priory in Waverley. They sat with Fr. Luke and his friend Francis and shared over a cup of tea. Fr. Luke then invited them to come and pray. What a powerful experience they found this to be. It was sad for them to leave but their next appointment was in Castle Cove at the home of Joelle. Francis kindly offered to drive them there. A group of people had gathered in Joelle's home and Eileen and Patty first knelt and prayed with the rosary with them. They then shared part of their story. The message given was the one given the day before on their birthday which was the Feast of St. Gerard Majella and St. Margaret Mary Alacoque.

16th October 2006 (Morning Prayer – in front of tabernacle – Jesus)

On this your special day accept my gift I give to you. Accept me, your Prince of Peace into your heart. Accept the bountiful love I have for you. Take this love with you as you journey into the unknown to spread my message of hope and love to all. Do not be afraid. Be courageous and faith filled and let My light shine brightly to the many you will meet. There is much work for you to accomplish and a small amount of time to do it. Be nourished by My love to strengthen you. Stay close to My Sacred Heart and put your complete trust in Me. Show to all My Divine Mercy. Encourage them to come to Me in their hour of need. Let them know My merciful love for them. Help them to trust Me more fully in their lives. My child, you are loved beyond compare. Pass this Divine love on to all you meet. Pray always to be given wisdom in every situation. Wisdom will tell you when to sit and when to rise up, when to step out boldly and when to stay background, when to speak and when to remain silent. Wisdom will help you to discern every moment so that all you undertake to do for your Heavenly Father is done for His praise and glory with true humility of heart. Do not fear. Come close to Me and I will be your guide on this journey you take. Let all know the depth of My love for them. Help them to understand the need for them to come close to My Mother. She is your Seat of Wisdom and in this role will help you to obtain wisdom you need to live your life anew. Through her love and guidance you will receive the graces you need to sustain you on the difficult moments you face. Let My Mother, so full of grace, lead you on this path of salvation. Let her lead you to My most Sacred Heart. Trust in My love through the wisdom and love of My Mother. When you accept this love given freely in your life you will find that you will learn more fully the journey of trust and My love will shine out for others to see through the merciful love you allow to flow out by the Christ-like love you show to the many who are put in your path. Be My lighthouse of love shining brightly to lead many through the treacherous waters of life to the calm still waters which awaits them through My most Sacred Heart. Come close and be nourished by this living water, this spring of salvation.

Joelle's sister Michelle and her husband dropped them into the Mary McKillop centre around 7pm. After having dinner at a local restaurant they went back to their room for night prayers. The next morning they got up early to spend an hour of prayer in front of the Blessed tabernacle and near the tomb. They were thrilled to see the stained glass window behind the altar depicted the Holy Family. (see picture on front cover). A message was given by Jesus which said:-

Morning Prayer 18th October 2006 (St Joseph's North Sydney - Jesus)

My child,

Remind my hurting people the need for them to change and grow more child-like and trusting in their faith. This life they are living on earth is so fleeting and will pass away in a blink of the eye. I want you all to concentrate more on your spiritual journey and I need you to trust that no matter how difficult your worldly life may seem you are not alone. The more you trust the more graces you will receive. Nothing is too difficult in the eyes of your Lord and God. Be patient and persistent in your prayers given always with true humility of heart. Do not give prayers to earn rewards with God. Humility and trust go hand in hand. When you trust completely you walk the journey of life one day at a time. Each event that happens is understood to be for a purpose. Nothing is by chance. Let go of any controls that you cling to and learn to take this journey with Me your Lord and Saviour one small step at a time. Do not be afraid to change and grow. Study the path My Mother took. From the time when the Archangel Gabriel appeared and told her to not be afraid she trusted in God's fiat for her. My little one come to Me with a childlike trust and let me lead you down the path of salvation. Let me open your eyes to the path you need to take. Ask for the help you need. Do not continually ask God your Father to help you then take the problem back and try and fix yourself. Learn to trust in my saving power. Come before Me and ask for My help and let Me lead you to the love of the Father in Heaven. Receive the gifts He longs to give you. Do not fear these crosses of life you bear. Accept them lovingly and let us travel the road to Calvary together. Be joyful and accept Me as your Prince of Peace into your heart. Open your heart and learn to be vulnerable once more. Trust in Me. Nothing is too difficult when we travel this road together. Do not

always want the easy way. Learn to accept the difficulties and challenges you face in your daily life. I have work for you to do but first I need you to begin to strip back the layers of self which block you from coming close to Me. I want you to come before Me with a child-like trust and leave those many burdens you carry and let Me give you rest and nourishment needed. Let My Mother be your example and your guide. Let her Motherly wisdom guide you to My Most Sacred Heart where My love and mercy flows in an unending stream to you and for all. Bathe in the wounds flowing from My heart. Let Me soothe and comfort you. Abide in Me as I am in you. Read Matthew 18:3-4

"Unless you change and become like little children, you will not be part of my kingdom. The one who humbles himself like a little child is the greatest in the kingdom of Heaven."

The group then went by car to Marayong where there was a group of people celebrating the 11th Anniversary of The Rosa Mystica devotion. Mass was celebrated in a beautiful Church called "The Holy Family of Nazareth. Eileen spoke briefly about the Holy Family and then read a message. The next stop for the group was Waverley to meet up with some people from Melbourne and also Father Luke. Dinner was shared together and then they went back to the Priory for 8pm prayers. Our Lady gave a message through locution:-

21st October 2006

I come to you and tell you that your hearts must open to the truth in order to hear God's Word. I plead with you, my children, open your hearts and obey Almighty God. Open your hearts and respond to all that I am teaching you and to all that I am allowed to say to you through the merciful grace of our Eternal Father. Open your hearts and listen, so that I can prepare you for the times which are to come. The faithful remnant must clothe themselves in their armour through prayer and penance and prepare for battle. Without faith and hope and commitment to the truth and trust in the divine mercy of my Adored son, Jesus, the enemy will grasp you.

Now is the time to pray, fast and perform penance for your sins. Give up your worldly ways and make more time to be with The Christ. Do not neglect prayer, move closer to Jesus each new day. My Son will truly assist you if you truly come to know and love Him. This will take effort and sacrifice and perseverance on your part and I ask you to be selfless and think of your brothers and sisters and give up your selfish desires. Use your wisdom well and return to our Fathers embrace, for I say to you, this time that has been given to you will change. Read scripture and spend time with Jesus as He waits you in the Tabernacle. In the quiet with Him I ask you to listen to His gentle voice and let His directions guide you bring you to the glory of eternal life with our heavenly father. 2 Tim 1 - 7

21st October 2006 (Night Prayer Franciscan Monastery Waverley)

I want you to follow my Son Jesus. He is your Good Shepherd and He longs to lead you on the path of salvation. Do not wonder far away into the wilderness. Stay close to Him. Let Him be your guide and your help. He longs to come close and give you the nourishment you need. He sees all your difficulties and asks you to share with Him. Jesus will carry you on those days when you feel so lost and abandoned. Do not fear this journey you take. Allow Him to lead you. Do not rush blindly ahead. Come back and open your heart and receive His merciful love. Bring before Him all your sorrow and your pain. Be healed of those hurts which you hold deep within. Be not afraid, you will be given the guidance you need. Do not follow those sheep which lead you on the wrong path. Be courageous and follow the way which will lead you to life eternal. There are times in your life when you have been lost in the darkness and you have felt despair. You have experienced a feeling of such loneliness. I remind you that you are not alone. Let go of the need to be in control and let Jesus your Saviour into your life. Learn to trust Him more fully and know that He will give you the grace needed to start afresh. Have courage, my child, to strip back the layers which block the way. Let the merciful love of my Son Christ Jesus flood your soul. Accept this opportunity given to you to change the life you lead. Open your eyes to the times in your life when you have been so distant and alone. Let go of the past hurts and live in the present moment with your Lord and God. You have nothing to worry about. Do not be concerned about material wealth and possessions. Trust in the Divine providence of your Heavenly Father. You will be given the necessities of life in abundance. All that is required of you is your yes. Trust and walk this path which leads you to life eternal. Do not stay lost in the wilderness any longer. Break the chains which bind you and learn the love which awaits you by your Heavenly Father through Jesus His Son in the graces given by the Holy Spirit. I am your Heavenly Mother. Look to me for the guidance you need to learn once more how to live this life in Christ Jesus one moment at a time.

20th October 2006 (Sydney)

I ask you, my children, to step out in courage and faith for it is the responsibility of those who have the truth and light living within them to proclaim my Adored Son's message of mercy and repentance. When you do such you also bring to me great joy, as I see the actions you perform which are so pleasing to our Eternal Father. Many feel rejection and persecution for their willingness to witness the truth and some have known suffering for much of their lives on earth. Think of the suffering which many have endured and your own suffering will seem almost minute. You will feel more joy in realizing that you are making a huge difference in the lives of the entire world.

Remember that it is through your trials and imitation of the Christ that many will be able to remove the blindness and let Jesus, your brother and redeemer, come into their lives. Always keep peace and God's love within your heart and upon your tongue. Pray and fast and perform the penance which will repair your damaged souls and lives and help me to guide so many who are lost to the Most Sacred Heart of The Christ and His redeeming love and mercy and forgiveness.

The perfume was strong during the Apparition. After praying with people the group went back to their host family. Next morning the group were picked up at 9am by Anita to travel to her home in Castle Cove. A large number of people were there and they prayed together the rosary and also the Angelus. They shared some faith stories and read a message regarding families. This is that message:-

7th October 2006 (Night Prayer)

My little one,

I ask you to look to your Holy Family as an example of how to live your life. The families of the world are fractured and broken because of the lures of satan. Many families strive to achieve much material wealth and possessions and in going down this path they have sacrificed their spiritual lives and the result is evident. There is division and brokenness because too much pressure is put on their families. They work long hours and the simple pleasures of sitting sharing a meal are lost to the fast pace of life. Look at your life and examine the areas of family life which need to change. Go back to spending quality time together. Learn how to pray together. Teach the little ones how to pray. Teach them how to recognize and be grateful for the abundance of food and the many graces and blessings they have in their lives. Remember the saying "the family who prays together stays together". Strengthen your family by putting the love of God first and know that you will receive many graces to sustain you. Pray for all your needs with a humble heart and know that God hears and answers your prayers. He will look after all your needs. I want you to know that your faith family is also of great importance. Remember that you are the body of Christ. If one member hurts then it affects the whole body. Learn to be tolerant of those in your faith family who you have difficulty with. Pray for the Heavenly help needed to reach out to them with Christ-like love. Help others who are broken and carry deep wounds to know the love of the Father through Jesus the Son. I remind you to let go of the judgements you place on others and learn to be the true body of Christ. Be forgiving and compassionate, full of merciful love for all. Let go of any past hurts they have caused you and reach out always in love. Pray for the conversion of the hearts which are hardened with bitterness and resentment. Offer little acts of self sacrifice and love to be used for those you find most difficult to love. These acts of humility do help. Nothing is too small. Begin this path of selflessness for your brothers and sisters in Christ and for your family and then let God heal their hearts. Trust and let this healing take place when the time is right. Stay steadfast and persevering in your faith journey and unite your family with the United Hearts of Jesus and me your Mother Mary. Take small steps and achieve greatness in this journey of love. You will have the protection and love you need. You will not be alone. Trust.

After mass they had breakfast and then caught a taxi to Central train station and boarded the train for Merrylands. Toni was waiting to pick them up and as they were pulling out of Merrylands station Eileen asked Patty "what station is this". Patty replied "I think it is Granville". At that moment the sign post went past the window "Merrylands"!!! Thank goodness for mobile phones as they were able to ring Toni and arrange to be met at the next station. They next met up with Ernesta Roy and Rocky at a friend's home. What beautiful faith filled people they were. The house was a shrine and rivaled Patty with the statues and icons it housed. After sharing with them they were driven to another home in the suburb. This home also had many beautiful statues and icons. Maryanne had quickly organized for the girls to visit their home within a couple of days. They prayed together the Divine Mercy and then shared their experiences and read a message. They then offered prayers with each family and touched them with Our Lady's tears. A gift was given to each person in thanksgiving for the visit of a rosary or message book. It was soon time to say goodbye. The girls were picked up by Teresa Tan and driven to her home. She had two visitors Sandra and Judy from New Zealand with her. They had been off shopping for statues in the morning at a shop in Granville run by a Vietnamese nun. Teresa took them to a shrine of the Infant Jesus of Prague and they all prayed together their night prayers. A message was given by Our Lady in locution:-

18th October 2006 (Night Prayer – Tempe)

My child,

I want you to humble your heart and listen to my words of wisdom I give to you this night. It is important that you learn the ways of your Lord and Saviour. Learn the lessons needed to live your life anew. Practice the virtues given to you through the Holy Spirit. Learn that gentleness and compassion is the way which will lead you to life eternal. Be faith filled, full of hope and love for God and for your neighbour. Be prepared to strip back the areas of arrogance and pride you have and learn the ways of your Lord. Do not be afraid to embrace humility in your life. The work you do for your loving Father and His Son Jesus should always be done for the glory of God with no wish for personal recognition and praise. I want you to learn more how to meet all those who are put in your path where they are on their faith journey. Do not judge others but instead embrace others with a Christ-like love. Show others the love of Christ by the way you lead your life. Are you ready to be Christ to others? Will you be His eyes, His ears, His hands, His feet. Learn to change and grow into a faithful child of God trusting Him in all you do. Do not rush ahead of God's plan and try to do everything in your way. Be patient and be prepared to wait until the time is right. Let God your Father lead you through the merciful love of His Son. Spend time each day with Jesus in quietness and prayer. Be still, my little one, so that He can fill you with His peace and love. The ways of your Lord are always done in gentleness with peace and joy in your heart. Learn how to be contemplative and listen to the words of God given to you by the Holy Scriptures and through the gentle whisperings of the Holy Spirit. I remind you do not rush ahead of God's plan for you. Let God your loving Father reveal His plan for you one moment at a time. Learn to be obedient to His Divine Will in your life. Trust Him in all you do. You are not alone in this journey you take. Recognize that God puts people in your life to help you. Listen to the advice given to you and let go of the controls you hold onto and let God lead the way through the precious gift given to you of His Son Jesus. Receive this gift into your heart and learn the way to be His instrument of peace and love to all who He asks you to love and care for. Learn how to trust Him more fully in all you undertake to do to further the Kingdom of God. I am your Mother of Divine Love and I will lead you to this love which awaits all of God's hurting children.

They went back to Teresa and Bernard's house for dinner and then Jo and Toni picked them up to take them back for their first night visit at their home in Prairewood. Toni drove them next morning to St. Christopher's in Holsworthy. Father Anthony was there to meet them and they sat with him and prepared for the day ahead. Father celebrated mass at 9.15am and then followed by the rosary. Patty spoke first followed by Eileen sharing about her own faith journey and then the message given on the first day was read. After praying with people they went with Father Anthony to meet a beautiful Lebanese family. The Michael's family were very family centred and the twins felt at home straight away because they too came from a large family. They shared lunch together then went to a Nursing Home to visit one of the family members. On the way back from the visit they called into a church called Our Lady of Lourdes. It had a beautiful stain glass window. They spent some time there in prayer and then went back to visit another family. They had a few different families to visit in the Parish and they were able to share with them Our Lady's messages of hope and love. It was then time to go back to the Parish and Father Anthony prepared for the night mass. There was time to

share and pray with people as well. After finishing they went back to the Michael's and experienced a family night Lebanese style with approx 50 immediate family present. It was time to head back home as there were still many places to visit in the following days. IAN had been told by Our Lady that he could fly over and meet up with the girls. The plane flight was arranged and he arrived the following morning where he was picked up from the train station and taken to mass. Eileen and Patty went to mass and adoration with their host family. Jesus gave a message:-

20th October 2006 (Morning Prayer – Jesus)

I ask you to be more balanced in the life you lead. God your loving Father created you to have balance in your life. Take time each day for Me your Lord and Saviour. Spend time with Me in quietness and prayer. Take time to reach out in love to others and spread My peace and love to all those who are put in your path. Take time to nourish yourself. It is important that you lead a balanced life. Take time to work, take time for family, take time to look after this precious body that you have been given. All in your life is done in balance. God your loving Father created all on this earth to be in perfect balance - all the creatures of the earth and sea all of nature. Man has rushed ahead and destroyed creation without thought to the devastating effect this would have. Go back to a life of simplicity and balance, sharing all you have with others. Do not be greedy and hoard your possessions. Give of yourself with a selfless humble heart. Learn the ways that your loving Father created you and your world to live together in perfect harmony. Begin again and change the way you live your life. Put God first and let Him fill you with His many graces and blessings. Be respectful of the world you live in and respect the lives of others. They were then dropped to the railway station and caught the train to Strathfield to meet up with a group at Teresa Tan's. The group watched the DVD "Faith's Journey" and then prayed Peace Rosary. Teresa had made lunch for everyone. It was then time to head back to their host family and have a quick rest and recharge of the batteries. Patty had been corresponding with a lady Carmel and her daughter Michelle for a number of years and it was discovered that they lived a few streets away from where they were staying so a visit was arranged for late in the afternoon. They were able to share together and then because time was short had to head back to Joe and Toni's for a quick dinner and then they went out again to another home belonging to Yvonne (Joe's niece). The girls shared experiences of the Darwin trip and then night prayers were held in Yvonne's backyard. Our Lady appeared and gave the following messages:-

20th October 2006 (Night Prayer – Smithfield)

My children,

I ask you to remain fervent and faith filled in your prayer life. I need you to join my army of prayer warriors to help in the redemption of the sins of mankind. Do not be afraid. Be bold and courageous in this faith journey you take. I will protect you under the cloak of my Immaculate Conception. Come to me with your prayers and let me guide and help you. Let me lead you to my Son. Trust in Him and His Most Sacred Heart. Do not worry and fret over material wants and possessions. These will not lead you to the path of salvation. They distract you from the path you need to take. I want you to learn the ways of your Lord and Saviour. This is the way which will lead you to life eternal. Learn to accept the peace and joy of my Son Jesus into your heart. Let go of the fears and your feelings of agitation you experience. Be still and stay close to Jesus by your prayers, by reception of the Blessed Sacrament of the Altar and by spending time in front of Him in Adoration. Share with Him your worries and your concerns. Hand over these burdens that you hold onto. Pray for the help you need to live this life anew. Accept the graces and gifts of your Heavenly Father through Jesus His Son by the Holy Spirit. You will be given all you need. Trust in the Divine Will of your Heavenly Father. Be obedient to His commandments and accept the need for you to change more into a faithful child of God. Pray for the courage and strength to step out in faith and live this new life which has been given to you through God's gift of His only Son Christ Jesus' suffering, death and resurrection. Let the Holy Spirit flood your soul with the gifts you need for you to have patience and perseverance. Be more trusting of God's plan for you. Do not run ahead but learn to be gentle of heart. Let Jesus fill you with His merciful love so that you can pass this love on to many by the Christ-like love you show. Begin to live your life anew. Turn away from the distractions of this world and come close to your Heavenly family. Receive the nourishment needed to step out and be a warrior of your faith. Cling always to the hope of the Father, accept the merciful love of the Son and be replenished with the grace of the Holy Spirit.
